"I want to be alone for a while." Su Wanwan raised her head. Her eyes were listless and sad. I'll leave it to you.

Gong Lingyu's heart trembled violently, and his words came to an abrupt end.

"Alright, then you should rest well."

yes, " Yu Jia responded, then grabbed Gong Lingyu's arm and pushed him out of the room, who was still in a daze. Then, she gently closed the door.

Su Wanwan fell on the bed and stared blankly at the White ceiling. Even though Gong Lingyu told her about her past, her mind was still only filled with the happy images of her and niannian together during this period of time.

That niannian belonged to her alone and was completely different from the PEI Munian of the past.

He was so gentle, so considerate, so doting, and he treated her as his most precious treasure, afraid that she would be hurt even a little bit more. Why was this only guilt?

Her phone suddenly rang. Su Wanwan turned her face and looked at her bag that was placed on the bedside table. She reached out, took out her phone, and looked at the screen. It was a call from her driver, old Chen.

Su Wanwan then remembered that old Chen was still waiting for her at the entrance of the mall.

Su Wanwan took a breath and pressed the answer button. Hello.

"Young Madam, where are you? I've been waiting for you for more than an hour. You can't be lost again, right?" Old Chen's anxious voice came from the other side of the phone.

Su Wanwan had gotten lost in the mall once before, so he asked.

Su Wanwan didn't want him to know that she was in the hospital now, so she took the opportunity to agree. mm, the mall is too big. I'm confused. However, I've already found the exit."

"Then which exit are you at? I'll go pick you up."

"No need!" Su Wanwan licked her dry lips and hurriedly said, " "About me, niannian is coming to pick me up, I'll just wait for niannian."

"Yes, young Madam."

After hanging up the phone, su Wanwan saw a few missed calls on the screen. They were all from old Chen. There was also an unread text message from PEI Munian.

Su Wanwan looked at it for a few seconds and clicked on the text message.

[let's have dinner together tonight. Call me when you're done shopping with mom. I'll pick you up.]

PEI Munian's gentleness had always made her feel happy and sweet, but now, she felt depressed and sad.

She didn't need niannian to feel guilty, and she didn't need him to be good to her because of guilt. If he said he loved her because of guilt, what did he take her for?

Su Wanwan heavily covered the phone on the bed, but tears couldn't stop spinning in her eyes.

She didn't want to be that poor little wife. If niannian didn't love her, then she would be sad.

She was supposed to say that she didn't want to love him anymore, but she didn't even dare to think about it. After she woke up, niannian was the only one in her world. She couldn't imagine what she would do if she lost niannian.

Just the thought of it filled her heart with infinite fear. It was as if Yingluo didn't exist in her world.

It had been more than an hour since PEI Munian sent the text message, but su Wanwan still hadn't replied. He stared at his phone and frowned. Wanwan had always replied to his calls and text messages within seconds. Why was she so quiet today?

Didn't see it? Or was he too distracted to care?

PEI Munian looked at the time. It was already evening. Logically speaking, they shouldn't have been shopping until this time.

PEI Munian called su Wanwan's phone without hesitation.
