PEI Munian sat on the edge of the bed and reached out to pull su Wanwan into her arms. Her big palm caressed su Wanwan's stomach, the light in her eyes shining and burning.

Aunt Wu looked at PEI Munian's expression and then saw his hand on su Wanwan's stomach. When the two were connected, she subconsciously came to her senses. young Madam is pregnant? "

PEI Munian looked at su Wanwan with a smile. Even though he looked so calm on the surface, the boiling in his heart had not stopped until now. mm, Wanwan and I have a child, Hanhan.

"Heavens!"

congratulations, young master! Congratulations, young Madam! I'll call Madam now and tell her. She'll definitely be very happy!

Auntie Wu went out to make a phone call. The bedroom was quiet.

PEI Munian hugged su Wanwan and planted a kiss on her face. Her voice was filled with extreme joy. Wanwan, I'm very happy. I'm really very happy.

"Are you really happy?"

Su Wanwan raised her head from PEI Munian's arms and her gaze was fixed on the curve of his lips. Her voice was hoarse as she slowly opened her mouth.

"Of course!"

PEI Munian hugged su Wanwan even more tightly. Her black eyes looked into her eyes. Her usually bottomless eyes were floating with excitement. Wanwan, we have a child, a child that's integrated into our bones and blood. It'll grow eyes, nose, and mouth just like us. How good is that? "

Su Wanwan stared fixedly at PEI Munian's face, not letting go of any trace of his emotion. What she saw was indeed happy, excited, and excited.

So, he really liked her child, Yingluo.

Yes, he did like her. He liked her child, and he liked her too. It was definitely not because of the guilt that Xi Zhiwei had said.

Su Wanwan straightened her body from PEI Munian's arms. Her black eyes stared fixedly into PEI Munian's eyes. She moved her lips and asked seriously, word by word, " niannian, you love me, right? "

PEI Munian was stunned for a moment. Then, she seemed to have understood something and her smile deepened. He raised his hand and gently caressed su Wanwan's delicate cheek. Wanwan, you didn't look very happy just now. Don't tell me you're jealous of this child? "

It was no wonder that PEI Munian would think this way. After all, su Wanwan's mind was not mature enough. Her thinking was like a child's. It was normal to be afraid that a child would steal his love.

"Wanwan." The smile on PEI Munian's face faded, and her eyes became more serious. I love you.

In this world, he loved su Wanwan the most. He loved the only su Wanwan and no one could replace her.

A tear rolled down from her eye. Su Wanwan was afraid of being seen by PEI Munian and quickly threw herself into PEI Munian's arms. PEI Munian didn't notice it and only smiled and hugged her tightly. silly girl.

Su Wanwan also reached out and hugged PEI Munian's waist tightly.

Even if PEI Munian's words were fake, she would treat them as the truth. It was enough for her to believe them, Yingluo.

No wonder she had been so listless and listless recently. It was because she was pregnant!

On the other hand, Butler Xi was so shocked by the news that he staggered.

If the young Madam was pregnant with Wanwan, didn't that mean that her Weiwei had lost her last hope?
