A kind passerby passed by and saw her in this state. He quickly walked over and helped her up. Miss, are you alright? " Do you need me to send you to the hospital?"

Su Wanwan opened her mouth and wanted to answer, but her head hurt badly. Her vision began to feel dizzy and her consciousness gradually blurred. Her lips wriggled, but she couldn't make a sound. In the end, her vision turned black and she fainted.

Su Wanwan was in a deep sleep and seemed to have returned to the past.

She was at a banquet and saw herself in a sorry state after being splashed with wine by President Li. She stood there in a daze and watched the handsome man walk towards her with a smile.

She thought that he would be the Prince who would save her, but in the end, he walked towards her and passed her.

Su Wanwan felt her heartbreak at that time. It was as if the whole world had suddenly darkened. She pretended to be strong, but her heart was broken.

Then, she went to the Civil Affairs Bureau and saw herself sitting alone in a corner. The couples around her were a huge contrast to her happiness and sweetness. She had been waiting, waiting for the appearance of her soon-to-be husband, PEI Munian. She waited for a long, long time, so long that she thought PEI Munian would not appear, but PEI Munian finally came.

At that moment, she felt her heart throb. Love was as low as the dust, but it still bloomed like a flower.

She followed the path of time and continued to move forward. She saw herself in that marriage. She was sad and hurt. She clenched her teeth and held on with a glimmer of hope. Two lines of tears slowly fell.

Then, a huge Ferris wheel suddenly appeared in front of her.

PEI Munian held her hand and sat on it. The Ferris wheel turned slowly. When they reached the top floor, the man's deep and pleasant voice held onto the most beautiful words in the world. I love you.

Such a happy moment was shattered in the next second.

He held her hand and stood on the stage, facing the crowd. The lips that had once said the most beautiful words spat out cruel words. the PEI family corporation will fully acquire the SU family corporation.

The beautiful dream disappeared, and the nightmare came.

She saw herself crying in the taxi, and on the balcony upstairs, Xi Zhiwei was hugging PEI Munian. The two figures overlapped, and her heart was completely shattered.

In the end, all she could see was red, a sea of blood. Her delicate body fell into a pool of blood, and she weakly begged to save her child Yingluo.

“my child, save my child!”

su wanwan cried out in pain, her eyebrows tightly knitted, cold sweat oozed out of her forehead, and her whole person fell into extreme panic.

“Wanwan, wake up! Wanwan, Wanwan, Wanwan.”

A voice called out to su Wanwan’s ear. Her body was gently pushed a few times. Su Wanwan’s whole body suddenly quivered and her eyes suddenly opened.

“Wanwan, you’re awake? Are you alright?”

Su Wanwan gasped for breath, as if she hadn’t recovered from the nightmare. Her hand subconsciously stroked her stomach and muttered, “ child, my child Yingluo.

“Wanwan, that Wanwan.”

The voice in her ear wanted to say something but stopped, causing su Wanwan to glare at her. how’s my child? ”

Yu Jia frowned and her eyes flickered. She somewhat avoided su Wanwan’s gaze. Su Wanwan became more and more panicked and couldn’t help but reach out to grab Yu Jia’s hand. She asked in a trembling voice, “ how’s the child? ”
