On the other side.

The Grand wedding had become a complete farce because of the absence of the bride.

PEI Munian bowed to all the guests and announced the cancellation of the wedding. Her handsome face was still the same, but there was a dead silence.

The guests left one after another, leaving only Mr. And Mrs. PEI at the scene. Mrs. PEI rushed to PEI Munian in a few steps, her face green with anger. this ... This is the woman you insisted on marrying, but how did she treat you? how did she treat our PEI family? previously, she caused a scandal and embarrassed our family. Now, we've become the laughing stock of the world!

PEI Munian stood there in a daze, as if she had been isolated from the world. She could not see or hear anything.

Assistant Wu rushed in with an anxious look on his face. Although the atmosphere was not right at the moment, he still braced himself and walked to PEI Munian's side. He whispered in her ear, " Boss PEI, old master su just passed away.

This sentence instantly pulled PEI Munian back to reality. He looked at assistant Wu in shock, who nodded affirmatively. PEI Munian did not even think and strode away.

PEI Munian drove the car and stepped on the gas pedal all the way. The wind whistled past his ears and stung him, but he did not feel it. He only held the steering wheel tightly and stepped on the gas pedal, speeding towards the hospital.

With a sharp screech, PEI Munian's car came to an emergency stop. He got out of the car and strode into the hospital.
