PEI Munian's phone suddenly rang, interrupting Xi Zhiwei's words.

PEI Munian took out her phone and glanced at it before picking it up. After a few simple replies, he hung up the phone and said, "I have something to do at the company. Take care of it."

"Brother mu Nian, go ahead if you're busy. My RV is waiting for me downstairs. Don't worry," Xi Zhiwei quickly said.

PEI Munian nodded. Let's go then.

The two of them left the cemetery and PEI Munian walked straight to his car. She opened the door, got in, started the engine, and drove away.

Xi Zhiwei stood there and watched PEI Munian's car leave. When she could no longer see it, she returned to her own car and opened the door to get in.

A car drove up from behind her. When it passed her, she glanced at the figure in the driver's seat. It was a familiar figure.

Xi Zhiwei's eyes turned cold. She wanted to take a closer look, but the car had already driven past. She looked up into the distance, but she could not be sure of the person that she was thinking about from time to time.

But Yingluo shouldn't be able to do that, right? It shouldn't be su Wanwan, right?

She had checked su Wanwan's whereabouts. Su Wanwan went abroad on the day she escaped from the wedding. She left so resolutely and there was no news of her after that. She probably wouldn't come back.

Xi Zhiwei's lips curled up and she got into the car.

Su Wanwan gave the baby a name: Su Ze meant that he was a blessed person.

The car arrived at the lawyer's building. Su Wanwan parked the car, then carried Su Ze out of the children's seat, locked the car, and walked into the lawyer's building.

The lawyer had been working with su family group for many years and was familiar with su Wanwan. He hadn't seen her for a year and suddenly saw her holding a child. He couldn't help but be secretly surprised. Miss su disappeared for a year. Did she go to give birth?

The lawyer stepped forward and greeted su Wanwan with a smile. miss su, long time no see.

“Yeah, long time no see.”

“Please take a seat.”

Su Wanwan sat on the chair with the child in her arms. The child opened his big bright eyes and looked at the lawyer with a novel expression, not afraid of strangers at all.

The lawyer was amused by his expression and couldn't help but praise him, “ this child has the demeanor of the SU family. He's so calm and composed at such a young age.

“Of course, he's like me!”

Su Wanwan proudly replied and softly said to Baobao, “ little Zeze, this is the lawyer. Say hello.

She grabbed the baby's hand and waved at the lawyer. Hello, uncle.

The lawyer also softened his voice and responded with a few words. Then, he coughed lightly and said with a straight face, “ “Miss su, do you want this child to be registered under the SU family's or the PEI family's?”

Su Wanwan was stunned by the lawyer's words. ah? What?”

The lawyer thought that su Wanwan didn't hear him clearly and quickly repeated clearly, “ I'm talking about young master Su Ze. Is he registered under the SU family or the PEI family? ”

Su Wanwan blinked her big eyes. She was puzzled for a moment and suddenly understood.
