582 A domineering return (4)

Su Wanwan sighed and shook her head. There was a hint of melancholy in her voice. no, I don't have any advantage if I make a scene like this. I'll be laughed at. Besides, PEI Munian is helping Xi Zhiwei now. When the time comes, I'll only become a Dancing Clown. The one who'll be embarrassed won't be her, but me.

She wanted to take revenge, but she couldn't be overconfident. If she wanted to make a scene, she needed a strong bargaining chip.

Su Wanwan's words weren't unreasonable. She wanted Xi Zhiwei to lose face, but if she went rashly, she might be the one who lost face instead.

Yu Jia mumbled gloomily, " is there no other way? Was he just going to watch as PEI Munian announced her marriage to Xi Zhiwei? Then how smug is she going to be?"

Su Wanwan fell silent. For a moment, she couldn't think of any good ideas. After all, Wanwan no longer had any relationship with PEI Munian. She didn't have the right to stop him from getting married.

Unless ...

An extremely bold and risky idea flashed in su Wanwan's mind. Her whole body suddenly quivered and she quickly shook her head.

"Chips, chips."

Yu Jia kept muttering these two words. He didn't know if he really had a telepathic connection with su Wanwan. Su Wanwan had just rejected the idea in her mind when Yu Jia happily shouted, " I got it, I got it. Wanwan, you can also have a bargaining chip!

Su Wanwan didn't look happy at all. She roughly knew what Yu Jia was thinking.

As expected, the next second, Yu Jia couldn't wait to say, " Wanwan, don't you have Xiao Zeze? Although little Zeze is your brother, no one knows about it, right? Only you, your Secretary su, and I know that uncle froze his son. We definitely won't tell anyone about it, so you can treat Xiao Zeze as your son and PEI Munian's son. This way, it's only natural for you to ask PEI Munian for a status."

She knew that she thought the same, Yingluo.

Su Wanwan held her forehead, swallowed her saliva, and opened her mouth, " no, how can I use Xiao Zeze? " I promised Grandpa that I would take good care of him and raise him up. I will make him happy. How can I let him get involved in my fight with Xi Zhiwei?"

"Wanwan, aren't you overthinking things? Little Zeze is your brother, your biological brother. He'll definitely help you unconditionally. You can ask him if you don't believe me. "

"Yingluo, do you think I can ask him now?"

ahem, what I mean is, if Xiao Ze ze was sensible now, he would definitely agree to it. Don't forget, Xi Zhiwei covered his mouth and nose yesterday and almost suffocated him. He will want revenge too, okay? "

".....?" Su Wanwan felt that she was actually speechless.

Su Wanwan rubbed her eyebrows and interrupted Yu Jia's excited words, " Yu Jia, how can it be so simple? " PEI Munian is not a fool. Will he believe anything I say? Whether little Zeze is his son or not, we'll know once we do the DNA test. How can he lie to people!"

Yu Jia retorted rudely, " I said you're stupid, but you're really stupid. It's not like DNA can't be faked. Don't you rich and powerful families often do this in order to fight for wealth and status? How come you don't understand even more than me!"
