"No, I didn't," The lawyer replied with certainty, " I haven't received any calls or emails from young master PEI so far.

After a pause, he seemed to have thought of something and added, " of course, young master PEI might have hired another lawyer to handle the divorce procedures. After all, he is going to marry Xi Zhiwei, so Qianqian has to divorce you first.

"If you're curious, you can go to the Civil Affairs Bureau to check if you and young master PEI have divorced."

The call had been hung up for a long time. Su Wanwan was still in a daze and couldn't come back to her senses for a long time. She thought about it but never would she have thought that PEI Munian had not submitted the divorce papers to the lawyer. This meant that it was possible that Wanwan and the rest were still married and she was still his wife?

Although she was not sure, she could not suppress the excitement in her heart as soon as the thought appeared in her mind. Her heart started to beat wildly.

Su Wanwan clutched her chest and tried to calm herself down, but the corners of her lips still involuntarily curled up. She could no longer sit still. She wanted to go to the Civil Affairs Bureau to check if she and PEI Munian were still husband and wife!

Su Wanwan rushed into the bathroom, brushed her teeth and washed her face at the fastest speed, then changed out of her pajamas, picked up her bag, and rushed out.

When su Wanwan went downstairs, nanny li was already busy in the kitchen. Seeing her get up so early, she asked in surprise, " "Miss, why are you up so early today?"

She had just finished speaking when su Wanwan ran past her like a gust of wind. Nanny li couldn't help but shout at her back, " miss, where are you going? "

"The Civil Affairs Bureau!" Su Wanwan's voice was transmitted back from afar.

Nanny li was dumbfounded. Why did this young lady go to the Civil Affairs Bureau?

When su Wanwan drove to the Civil Affairs Bureau, because it was too early, the Civil Affairs Bureau hadn't opened yet and the door was empty. Su Wanwan looked at her watch. It was only six O 'clock. She was really dizzy.

Time passed minute by minute. Su Wanwan looked at the time on her phone from time to time. She had never felt that time passed so slowly. Finally, it was time to open the door and su Wanwan rushed in.

The search time was very fast. In just a few seconds, the results were out.

PEI Munian and su Wanwan were still in a state of marriage.

Su Wanwan listened to the staff member slowly read out this sentence. It was as if the most beautiful and most beautiful fireworks bloomed in front of her eyes in an instant. They were dazzling and beautiful to the point of shaking the soul.
