Xi Zhiwei's heart was already uneasy. Su Wanwan's sudden smile made her whole heart beat wildly, becoming more and more nervous and afraid.

Su Wanwan smiled and walked elegantly. Under everyone's gaze, she walked step by step to Xi Zhiwei. Seeing the panic in her eyes that could not be hidden, the arc of her lips became deeper.

Xi Zhiwei had never felt that su Wanwan had any aura, but when she walked slowly towards her, she actually felt a strong sense of oppression coming from her body. She actually took two steps back unconsciously, as if she was a head shorter in front of her.

When she noticed her actions, Xi Zhiwei immediately bit her lip in annoyance. Why was she retreating? Today's female lead is her, why should she be afraid of su Wanwan? So what if she was here? She would not let her destroy her happiness so easily.

Xi Zhiwei secretly took a breath and forced herself to calm down. Then she straightened her back, looked back at su Wan with her black eyes, and her lips curved into a smile.

She wasn't afraid of her, su Wanwan. She had the support of Mr. And Mrs. PEI. As for brother mu Nian, in this situation, he probably wouldn't make her lose face. However, su Wanwan was alone. She didn't believe that she could stir up any big waves by herself!

As Xi Zhiwei thought about it, her eyes were once again filled with pride and confidence. She smiled and said, "sister Wanwan, long time no see. I didn't expect you to come uninvited today.

The words were polite, but there was a knife hidden in the smile. The words "uninvited" suddenly made everyone look at su Wan's eyes and become subtle.

After all, everyone knew about the past between PEI Munian and su Wanwan. A year ago, su Wanwan ran away from the marriage in public and made PEI Munian a big joke. The PEI family lost so much face that they naturally wouldn't want to have any contact with su Wanwan anymore. However, she didn't know her place and appeared at such an occasion. It was inevitable that she would be embarrassed.

Xi Zhiwei paused for a moment as if to give the crowd some time to reminisce before she continued, "but it's okay. You're a guest, and it's our honor that you're here to attend the PEI family corporation's mid-year celebration. We can also share the good news about brother mu Nian and I. We hope to receive your blessings.

Xi Zhiwei's words were full of thorns, but the smile on su Wan's face didn't change at all. Even her eyes didn't fluctuate at all. Instead, as the host, after she finished saying those polite words, she smiled at Xi Zhiwei again. She didn't pay attention to her words, but directly walked past her and went to the right behind her where father and mother PEI were standing.

Father and mother PEI were also surprised by su Wan's sudden appearance and were unable to return to their senses for a long time, especially Mrs. PEI. From the moment she saw su Wan, her whole person had been in a daze.

The person she thought she would never see again had suddenly appeared.

It wasn't until she stood in front of her that she blinked and slowly regained a bit of consciousness. But very quickly, she was completely stunned by su Wanwan's words.

Su Wanwan stood elegantly in front of them, her beautiful eyes looking at them. The corners of her lips rose and her smile was gentle. She gently opened her red lips and her voice was as gentle as water. Every word she spoke was clear.

"Mom, dad, I'm sorry I'm late."

Daddy

Mother

Everyone looked at each other.

Su Wanwan actually called father and mother PEI "father and mother PEI." Then was she still the PEI family's daughter-in-law? Then what was Xi Zhiwei?
