

Deeply 595

595 I'm his only wife (5)

PEI Munian's Black eyes were filled with shock, surprise, disbelief, and all sorts of emotions. They surged up in an instant and disappeared in an instant.

He looked at su Wanwan's beautiful face that was close at hand. The light in the bottom of his eyes became deeper and deeper. He stared at her as if he wanted to see through her entire person.

Su Wanwan maintained a smile on her face, but in fact, her heart was beating like a drum. Her eyes flickered uncertainly, and even the hand she used to hold PEI Munian's neck couldn't help but tighten.

If PEI Munian wanted to push her away, she would just hug him tightly. Even if he was a scoundrel, he couldn't lose this battle!

Everyone subconsciously held their breath and waited for PEI Munian's reaction. Would he help his current fiancée and this 'ex-wife' who was not divorced?

He and this " ex-wife " had once shown their love in front of the whole world. Would they really be unforgettable?

Xi Zhiwei could not help but take a step forward and looked at PEI Munian with resentment and sorrow. She called out in a low voice, with infinite misery, " brother Munian, RUO RUO.

PEI Munian's long eyelashes trembled slightly, and she finally had a reaction. He raised his hand, grabbed su Wanwan's hand that was around his neck, and forcefully pulled her arm down.

Su Wanwan's heart couldn't help but beat wildly. It seemed that the situation wasn't as good as she had imagined. PEI Munian wouldn't really speak up for Xi Zhiwei, right?

Then all her previous face-smacking actions would have been in vain.

Su Wanwan furrowed her brows. Her eyes were hesitating whether she should use her final trump card or not. However, PEI Munian did not push her away as everyone thought. Instead, she grabbed her wrist and strode out of the encirclement. She pulled her and left the banquet hall.

His actions were quick and nimble. When the crowd reacted, PEI Munian had already brought su Wanwan out of their sight. Some paparazzi wanted to chase after them but were stopped by the security guards organized by assistant Wu.

PEI Munian's footsteps were big and fast, and she didn't pay any attention to su Wanwan behind her. Su Wanwan was forced to follow his footsteps and couldn't help but stagger. She almost fell down several times, but the strength he used to grab her wrist was too strong and she had no strength to shake him off. Su Wanwan couldn't bear the pain and still opened her mouth, " PEI Munian, where are you taking me? "

However, PEI Munian did not say a word and only continued walking forward.

She didn't know how long she walked, but when su Wan's feet were in pain from the friction of the high heels, PEI Munian finally stopped and threw her away. Su Wan felt her back hit the stiff wall and she couldn't help but groan.

The next second, there was a loud bang and the surrounding lights suddenly sounded. Su Wan's eyes squinted as she couldn't adapt to it. Then, she saw PEI Munian, who was full of anger, standing in front of her. His black eyes fell on her, but his eyes were calm and without waves. But this kind of calmness was even more frightening than the anger he showed.

Su Wanwan's body trembled slightly, but she still tried to maintain her calm.

PEI Munian's gaze swept over su Wan's body and curled her lips. There was no smile on her handsome face. Instead, there was only more coldness. Even his voice seemed to be mixed with ice. su Wan, what do you want to do? "

Su Wanwan was already mentally prepared to be scolded and ridiculed by PEI Munian. She didn't expect that his first sentence would be to ask her what she wanted to do.
