

Deeply 599

599 I'm his only wife (9)

in other words, for this year, I am still your wife and I am protected by the law. You don't want to commit bigamy, right? so, please keep your distance from Xi Zhiwei!

Such a threat did not mean much to PEI Munian, but from the perspective of the law, she was not wrong. Even if he still insisted on marrying Xi Zhiwei, she did not have a legitimate right to do so. She was a popular female star and it was impossible for her not to be wary of such things. Furthermore, PEI Munian and Mrs. PEI placed great importance on the PEI family's reputation and would not allow such a stain to appear on the PEI family. Hence, she had at least fought for a year for herself.

If she could not move PEI Munian and make him change his mind in this one year, she would choose to give up instead of losing now.

PEI Munian curled her lips as if she wanted to laugh, but her face sank. su Wanwan, do you think I will still accompany you to do these meaningless things? "

"You leave and come back as you please, what do you take me for?"

PEI Munian's voice was very calm. Under the calmness, there was a terrifying surge of emotions. no matter what tricks you're up to this time, I won't play with you. If you don't want to go to the Civil Affairs Bureau, I can get someone to bring you the divorce papers. It's better for us to settle this as soon as possible, what do you think?"

The last question didn't sound like a question, but more like the last bit of patience he had left. He was hinting to her that if she didn't sign the divorce papers, he wouldn't mind using extreme means.

Su Wanwan froze in place and was silent for a long time.

She only dared to act so recklessly because she knew that they were not divorced and that she still had some feelings for PEI Munian. Who knew that not getting a divorce was just a mistake and had nothing to do with feelings? she had no more bargaining chips in her hands and could only let herself be trampled on.

PEI Munian's dark eyes swept across her coldly. Seeing that she was rooted to the spot and not saying a word, he knew that she had nothing to say. He walked towards the sofa and picked up the antique phone on the coffee table. His slender fingers skillfully turned the phone a few times and dialed a number.

About ten seconds later, the call was picked up. PEI Munian's deep and pleasant voice rang in the quiet space. assistant Wu, help me Contact lawyer Zhou Wanwan.

Contact the lawyer

Su Wanwan raised her eyes in astonishment and looked at the tall and elegant figure in front of her. Her hands clenched tightly little by little.

Suddenly, she heard footsteps approaching from afar. Su Wanwan subconsciously looked sideways. Xi Zhiwei's bright red dress, under the dim light outside, appeared very charming and very eye-catching.

She was dressed in bright red today to complement her identity as a fiancée, like a beautiful bride.

Even if she had embarrassed her in front of everyone, it would only be temporary. Once PEI Munian forced a divorce and married her, she would still be the big winner!

Su Wanwan's gaze was fixed on Xi Zhiwei for a few seconds. She turned her head and saw PEI Munian standing there. Without a trace of emotion, she instructed assistant Wu to get the lawyer to prepare the divorce papers. Her tightly clenched hands suddenly loosened.

She didn't want to lie to PEI Munian or make use of the innocent Xiao Zeze. However, in order to have an excuse to prevent PEI Munian from getting a divorce, Qianqian had no choice but to take the risk.
