

Deeply 600

600 I will be his only wife (10)

Su Wanwan took a deep breath, lifted her feet, and walked to PEI Munian's side in two or three steps. Her hand did not hesitate to hang up the phone.

The beeping sound rang in her ear and PEI Munian's dark eyes slowly turned to her face. Her deep eyes were unfathomable and had no warmth at all, making one's hands and feet turn cold.

Su Wanwan tried her best to straighten her back, look up, and her red lips wriggled for a while before she finally opened her mouth. I urged me to ... At that time, I didn't ... Didn't abort the child. We ... We had a child. You can't force me to divorce him while the child is being breastfed!

Little Zeze was only a few months old and was still in the nursing period. It was not acceptable for the man to propose a divorce at this time.

PEI Munian's Black eyes narrowed and he looked at su Wan. His pupils suddenly contracted and his voice trembled because of shock. child? "

Su Wanwan's eyes flickered a few times, but she still slowly nodded.

—

when su wanwan came out, her hands and feet were weak. just now, pei munian's eyes were so sharp, as if they could see through everything and sweep over her face. if it was one more second, she probably wouldn't be able to hold on.

Fortunately, he retracted his gaze before that. Perhaps he couldn't digest the matter for a while, as he sat silently on the sofa. After a while, he said to her, " "I'll contact you again."

Although she was asking him to leave, she did not mention the divorce again. It could be considered a small success.

as soon as su wanwan walked out, she saw xi zhiwei standing not far away. she had just seen her pacing back and forth outside the door but had not left.

However, today was supposed to be the day to announce their marriage, but it had been disrupted by her appearance. She was naturally anxious to know the outcome of her conversation with PEI Munian, or perhaps, she was here to seek comfort.

unfortunately, she was destined to suffer an even greater blow!

Su Wanwan tidied her hair, straightened her dress, and a smile appeared on her lips. She raised her feet and slowly walked towards her step by step.

When Xi Zhiwei saw her, her expression suddenly became guarded, and her eyes were still filled with undisguised anger. su Wanwan, I didn't expect you to be so shameless. You actually have the nerve to come back and look for brother mu Nian.

I came back to look for my husband. I'm very open and aboveboard. As for you, you've been pestering my husband tirelessly since the past. Shameless. I think you're talking about that, right? "

“You,”

Xi Zhiwei’s cheeks were flushed red and anger could not help but burn in her chest, but she could not say anything to refute her. After all, she was not legitimate. In front of su Wan, she had no confidence.

However, she couldn’t be smug for long. She thought of mu Nian’s expression just now. It didn’t seem like he still loved su Wanwan. Even if they didn’t get a divorce now, they would definitely get a divorce soon.

Xi Zhiwei laughed instead of getting angry. su Wanwan, you can only show off in front of me because you haven’t divorced brother mu Nian yet. Brother mu Nian will marry me soon and your marriage won’t last long. I just hope you remember what you said today. Don’t get a divorce and still pester my fiancé.

“Hehehe.” Su Wanwan shook her head and laughed. it seems that I’ll have to disappoint you again. PEI Munian’s wife will only be me.

Xi Zhiwei’s eyes turned cold and a bad feeling rose in her heart. you, what do you mean by that? ”
