

Deeply 601

601 I'm wooing you (1)

Su Wanwan raised her eyebrows, lifted her chin, glanced at her arrogantly, and then smiled. you want to know? "

Xi Zhiwei pursed her red lips tightly. Her eyes were filled with curiosity, but she pretended to be disdainful. no matter what you do, brother mu Nian will never want a woman like you again.

"Oh, really? Let's wait and see if PEI Munian will divorce me and marry you as you wish." At this point, su Wanwan deliberately paused. Seeing Xi Zhiwei pretending to be calm, she suddenly took a step closer, only a short distance away from Xi Zhiwei.

She turned her face to the side and whispered into her ear, " as long as I'm here, you will never get what you want. You will never get what you want!

Su Wanwan had always felt that if you were kind to others, they would also be kind to you. Although she was not a Saint, she tried her best not to make things difficult for others and not to hurt others. However, it did not mean that when others bullied her, she still had to endure and give in. Did she want Xi Zhiwei to hit her left face and she would move over to her right face?

no, xi zhiwei had hit her left face, so she was going to hit both her left and right faces!

"You,"

From the past until now, every time Xi Zhiwei found trouble with su Wanwan, she would either pretend to be cold and ignore her, or pretend to be generous and not care about her. This was the first time she had said such harsh words to her and attacked her without any politeness.

xi zhiwei did not know if she was shocked or something else, but she subconsciously took two steps back.

Su Wanwan still didn't let her go. She also took two steps forward and continued to whisper in her ear, " Xi Zhiwei, don't think that the things you've done in the past are flawless. Look at who the heavens have forgiven for the bad things you've done!

The anger in Xi Zhiwei's eyes instantly turned into fear. I, I don't know what you are talking about!

Su Wanwan smiled coldly.

Initially, she was still a little uncertain. However, seeing her reaction, she knew that she had guessed correctly and that she had not taken revenge on the wrong person.

Even though she knew that the path she had chosen was very dangerous, it was worth it.

Xi Zhiwei was so vicious that she would even hurt an innocent little life. She did not deserve to be happy and she did not deserve to stand beside PEI Munian.

Even if she could not move PEI Munian in the end, at least the person accompanying him should not be Xi Zhiwei!

Su Wanwan no longer paid attention to Xi Zhiwei. She took a step back, raised her foot, and brushed past her.

Xi Zhiwei's shoulder was hit. Su Wanwan didn't use much strength, so she couldn't stand still and fell to the ground in a sorry state.

Su Wanwan didn't return to the banquet hall. Instead, she directly went around and walked out of the PEI residence's Gate.

Gong Lingyu's tall figure was leaning against the car. When he saw her walking out, his black eyes looked straight at her, obviously waiting for her.

Su Wanwan raised her eyes and met his eyes. She couldn't help but smile and slowly walked towards him.

PEI Munian sat on the sofa for a long time, her hands on her knees and her chin resting on them. The light in her eyes surged, rolled, and finally sank. In a short time, many thoughts had crossed her mind.

After that, he slowly sat up straight, picked up the phone again and dialed. Once the call was connected, his voice was low but very concise, " check if su Wanwan has a child.
