PEI Munian did not really contact her. It should be assistant Wu who contacted her. After some small talk, she said directly, "miss su, boss PEI hopes that you can bring the young ... Young master to the hospital tomorrow morning.

Su Wanwan felt a little awkward when assistant Wu called her miss su. Assistant Wu's attitude represented PEI Munian's attitude. He really didn't want to have anything to do with her anymore.

Su Wanwan thought of everything he had done for her before and then thought of the present. She couldn't help but feel melancholic.

Fortunately, now that she knew what had happened in the past, she could face PEI Munian in this state and feel less hurt. She would just pretend that he was just angry. As long as she could coax him, he would accept her again.

Su Wanwan lightly hummed in the direction of the phone. okay, I will be there on time.

After hanging up the phone, su Wanwan was silent for a while. She picked up her phone and dialed Yu Jia's phone number.

—

After the call, assistant Wu put away her phone, turned around, and walked toward the office. She knocked on the door a few times, then pushed it open and walked in.

PEI Munian sat at the back of the spacious office. The sunlight shone in through the window and cast a silhouette on his handsome face, giving off a breathtaking feeling.

Even if assistant Wu was a straight man, he would occasionally be stunned by the big BOSS's beauty.

Assistant Wu composed herself and coughed lightly before saying, "boss PEI, I've already followed your instructions and informed young Yueyue, miss su, to bring little Yueyue, that young master, to the hospital tomorrow morning. I've also informed Dr. Zhao and asked him to contact the doctor in charge of the DNA test.

"Yes." PEI mu didn't even raise her head and lazily responded.

Assistant Wu was supposed to leave after they were done talking about business. However, he glanced at the documents that he had placed on PEI Munian's desk this morning and could not help but ask softly, "boss PEI, don't you already know that he's not a coward?"

Before assistant Wu could finish speaking, PEI Munian raised her head and glanced at him with her dark eyes. Her gaze was deep and emotionless. Assistant Wu immediately swallowed the words he was about to say.

"Ahem, if there's nothing else, I'll be going out."

PEI Munian stared at him for a few seconds, and just as assistant Wu's back was about to break out in cold sweat, she finally nodded.

Assistant Wu turned around and quickly ran out of the office. He patted his chest after he closed the door.

In the past year, Big BOSS's aura had become more and more terrifying. A man who had lost the nourishment of love really couldn't be provoked, Yingluo.

However,

Assistant Wu thought about the information he investigated and couldn't help but break into a sweat for su Wan. He really didn't understand what the big BOSS was thinking.

The next day.

Su Wanwan specially picked a good-looking dress and put it on Xiao Zeze, making him look more sunny and handsome so that PEI Munian would have a good first impression.

It was a pity that Xiao Zeze's eyes and brows were very similar to hers and he did not look like PEI Munian's child.

However, Yingying's child looked like her mother, so it could be considered reasonable, right?

After su Wanwan put on Xiao Zeze, she picked him up and kissed his white and tender cheeks. She said softly, " little Zeze, you have to work hard. My future happiness depends on you!
