

Deeply 608

608 I'm wooing you (8)

When su Wanwan thought of this, her eyes shyly flashed and she couldn't help but chuckle sweetly.

She let her thoughts run wild and did not speak for a long time. PEI Munian's patience seemed to have run out, and her coldness could be felt through the phone. actually what? "

Su Wanwan's whole body quivered and she suddenly straightened her back. actually, Wanwan, actually, actually, there's no need to go through so much trouble. You can decide on the location. I, I'll cooperate with you.

"Let's go to the café opposite my office then." PEI Munian was silent for a few seconds.

Then, he hung up the phone.

Su Wanwan listened to the beeping sound in her ear and couldn't help but pout. PEI Munian seemed to have returned to her university days, when she was always cold to her, indifferent to her, and treated her as if she didn't exist.

But so what? in the end, he was still conquered by her. So if they did it again, she could still conquer him!

Before going out the next day, su Wan sat in front of the dressing table and seriously put on an exquisite makeup for herself. Then, she chose the style of dress that PEI Munian liked and matched it with a pair of nude pink high heels. Su Wan carried her bag and looked herself up and down with the help of the reflection of the car window. After making sure that she was perfect and charming, she opened the door, sat in, started the car, and drove towards PEI family group.

There was some traffic on the road. When su Wanwan arrived, it was already 12:05. She hurriedly walked in and saw that PEI Munian was already sitting by the window and waiting for her. She hurriedly said, " "I'm sorry, I'm late,"

PEI Munian was sitting there elegantly. When he heard this, he slowly opened his eyes. His dark eyes fell on her delicate face and then swept a glance at her dress. He curled his lips, but there was no smile in his eyes.

He quickly withdrew his gaze, raised his hand, and pushed a document on the table to su Wan. His voice was as cold as ever, " take a look.

Su Wanwan's gaze shifted from PEI Munian's face to the document on the table. A bad premonition rose in her heart. She pursed her lips, pulled out a chair and sat down. She glanced at PEI Munian again before opening the document.

After reading only two pages, su Wanwan couldn't Continue reading. She slammed the document shut and looked at PEI Munian with her black eyes."I won't agree to it."

This was a contract for her to give up her custody, and the conditions were very generous. But how could Yingluo give up on Xiao Zeze?

She had no choice but to make use of Xiao Zeze. She just wanted to buy time for him, not to use Xiao Zeze to gain any benefits.

PEI Munian's expression did not change at all. She only said, " "You're making a conclusion so early without even looking at it? Oh, do you want more?"

Su Wanwan's eyebrows fiercely furrowed.

She did not expect that her unwillingness to divorce and the mention of the child would make PEI Munian think that she only wanted to gain more benefits from him.

sure. After you've read through all the conditions here, if you think they're not enough, you can continue to raise them. I can satisfy whatever I can. After all, we're a married couple. We should part on good terms.

Husband and wife, good gathering, good parting

Wasn't this what she used to say to him every time she asked for a divorce? Now, PEI Munian was bearing a grudge?

Sigh, if she had known this would happen, she wouldn't have said those heartless words back then.

Su Wanwan was secretly upset for a moment. Suddenly, she had a flash of inspiration and looked at PEI Munian. "Can I state any condition?"
