

Deeply 609

609 I'm wooing you (9)

PEI Munian raised her eyebrows slightly and fixed her gaze on her, as if waiting for her to make a request.

Su Wanwan sat up straight, cleared her throat, and said in all seriousness, " my request is very simple. Since you want little Zeze's custody, then you have to take me too. I won't separate from little Zeze. If you want it, you want it together!

PEI Munian sneered, her eyes turning cold.

Su Wanwan was originally a little embarrassed. Seeing his disdainful gaze, she couldn't help but feel a little fire in her heart. anyway, I only have one condition. If you don't accept it, I won't give Xiao Zeze to you. I'll let you two separate from each other. Then, I, I'll let Xiao Zeze call, call other people's men dad!

With PEI Munian's proud personality, she would not tolerate her own child calling someone else 'father', right?

"Ha."

PEI Munian seemed to be amused by su Wanwan's words. She was too lazy to talk nonsense with her. so, you like to fight a lawsuit more? "

".....?"How did this man become so impervious to anything? It was even more difficult than when he was in college!

Su Wanwan secretly criticized him in her heart. She took a deep breath and continued: "A lawsuit? We're husband and wife, how can we file a lawsuit? No matter what, he's still our child."

"I will bring up the divorce after the breastfeeding period ends."

After all was said and done, he still had to draw a clear line between him and her. Even if there was a child, he could still see through every move. Su Wanwan couldn't help but feel a little disheartened.

However, when she thought of all the things he had done for her, her depressed heart quickly filled up again. that's great. Then, we'll talk about divorce and custody after I'm done with breastfeeding. We're still husband and wife now, right? "

PEI Munian corrected her rudely. husband and wife in name only.

"It doesn't matter, as long as we're husband and wife."

Su Wanwan seemed to be thirsty after talking so much. However, she had sat down for so long and had not ordered anything to drink. She simply reached out and picked up the cup of coffee in front of PEI Munian. She gulped it down and put it down heavily.

She wiped her lips and said to PEI Munian, " "Since there's nothing else, I'll take my leave."

She stood up, picked up her bag, and was about to leave when she suddenly thought of something. She leaned over and kissed PEI Munian on the lips with lightning speed. "Work hard and earn money for your milk powder, hubby."

Before PEI Munian could react, su Wanwan had already retracted her body.

The expression on PEI Munian's handsome face instantly darkened. The light in the bottom of his eyes surged, as if a storm was coming. su Wanwan, do you know what you're doing? "

Su Wanwan nodded honestly. I know. I'm kissing you.

".....?"

"it's normal for a couple to kiss. are you shy?"

"Su Wanwan!"

Su Wanwan felt a chill down her spine. Before PEI Munian could get completely angry, she quickly ran away and said while running, " "Goodbye, hubby."

Su Wanwan ran back to her car in one breath and locked it. Only then did she heave a sigh of relief. She glanced sideways at the cafe. PEI Munian didn't chase after her and she couldn't help but smile.

However, even though they were not divorced yet, she had to wait for Yingluo to get in touch with him first if she wanted him to fall for her again after he rejected her so much.
