

Deeply 61

Chapter 61 It's just that she doesn't love me III

Previously, it was the young master who did not return home. Recently, it had become the young Madam who left early and returned late. The two of them lived under the same roof. They were not like a married couple, but more like strangers.

—

PEI Munian was driving extremely fast. The car window was rolled down, and the cold wind gushed in, stinging his face. However, he seemed to feel nothing and continued to step on the gas pedal.

When the car reached the foot of the mountain, it happened to meet a red light. PEI Munian stopped the car. With his elbow on the window, his dark eyes inadvertently swept into the distance and his gaze froze instantly.

In the café in front of him, there was a figure he was extremely familiar with. She had just said that she was working overtime in the office, but now, she was here.

It turned out that the so-called overtime was just an excuse. She just didn't want to go home, or rather, she didn't want to see him.

That's right. The second sum of money was in place. This sum of money was enough for the SU group to last for three months. She naturally didn't want to entertain him anymore. Burning bridges after crossing the river had always been her, su Wanwan's, strength.

PEI Munian's lips curled up, but there was no trace of a smile in his eyes. His entire body was cold, pouring out bit by bit. His black eyes narrowed, then he picked up his phone and made a call.

—

Su Wanwan finished a cup of coffee and was about to ask someone to refill her cup when her phone rang.

Su Wanwan picked up her phone and looked at it. Her heart couldn't help but skip a beat. Her hand touched her heart, she gently took a breath, and then pressed the answer button. Hello, Grandpa.

Su Zhenhua's voice was a little deep. Wanwan, where are you? " he asked.

Su Wanwan's hand that was holding the phone suddenly tightened. Grandpa personally sent her back to the villa, why would he ask where she was? Could it be that he had realized that she had not returned to the villa? But that was impossible. She only came out after she saw his car leave.

Su Wanwan thought that maybe Grandpa was deliberately testing her. She had to calm down and not panic.

Su Wanwan curved her lips and coughed lightly. She tried to answer in a natural tone, " Grandpa, why do you ask? " Of course I'm at home. Didn't you send me back?"

"You're home?" Su Zhenhua asked in return, then said, " alright then. Mu Nian should be at home too, right? get her to answer the phone.

Su Wanwan gently frowned. Grandpa really can't be perfunctory.

She swallowed her saliva and lowered her voice. Grandpa, mu Nian is not home yet. If you have anything to say, I can help you pass the message.

Su Zhenhua was silent for a moment.

Su Wanwan's heart couldn't help but rise.

In the next second, Su Zhenhua's angry voice suddenly rang out. Wanwan, are you going to start lying in front of Grandpa now? "

Lying, Wuwu

Before su Wanwan could react, Su Zhenhua continued to berate her, " mu Nian just called and asked if the company has been very busy recently. You've been leaving early and returning late for nearly a week. I remember that in order to take care of your newlywed wife, she only assigned you easy work recently. You can even skip work. Tell me, what are you busy with? "

Su Wanwan was shocked by Su Zhenhua's words, and her heart fell. She bit her lower lip and opened her mouth to say something, but Su Zhenhua didn't seem to want to listen to her and continued, " Wanwan, don't think that everything will be fine just because you married PEI Munian. You have to know that the company's investment funds haven't been fully paid in. We still need to rely on the PEI family, and it's a waste.
