Sure enough, little Ze Ze didn't disappoint Su Wanwan's expectations. He narrowed his eyes, waved his small hands, and started crying.

Su Wanwan secretly gave Xiaoze a thumbs up in her heart. They were worthy of being siblings, their hearts were connected!

As soon as little Zeze cried, Su Wanwan's confidence was full. She coughed twice and raised her chin at PEI Munian. You also know that the child is still so young. He can't leave me. This is also an unfamiliar environment for him. Once he's afraid, he will keep crying. Crying too much will hurt his body. You don't want little Zeze to be uncomfortable, right? "

When Aunt Wu heard this, she quickly tried to persuade him, " yes, young master. Children are very delicate. Crying for a long time will hurt their throats and easily cause dehydration. It's better for mom to be by their side.

Pausing for a moment, she glanced at PEI Munian's expressionless face and continued, " "Anyway, the house is so big. Even if Miss Su moves in, she won't take up much space, Qianqian."

PEI Munian's dark eyes swept coldly over Auntie Wu. She immediately shut up and lowered her head again.

PEI Munian's gaze returned to Su Wanwan's face. Su Wanwan subconsciously stood straight and blinked her long, curly eyelashes. PEI Munian, you're not letting me stay here. Is it because I said I wanted to pursue you and you're afraid? "

"Ha."

PEI Munian sneered, as if she had said something ridiculous.

Su Wanwan had already expected him to react like this and took advantage of the situation. Since you're not afraid, why do you have to chase me away? Anyway, I'm an insignificant person to you now and I can't affect you in any way. Unless Yingluo, I can affect you?"

As Su Wanwan spoke, she quietly took a step closer to PEI Munian and lowered her voice. Niannian, don't tell me Yueyue is treating me, Yueyue.

"Don't you think too highly of yourself?"

PEI Munian interrupted Su Wanwan's words with a cold voice, his eyes cold. He opened his mouth and wanted to say something, but Su Wanwan rushed to say before he could say anything hurtful: "If that's not the case, then there's no problem for me to stay?"

".....?"

PEI Munian's words were suddenly blocked by Su Wanwan. If he didn't let her stay at this moment, didn't that mean that he admitted that she still had an influence on him?

PEI Munian's brows were deeply furrowed. She fixed her gaze on her face and saw the cunning light hidden in her eyes. She pursed her thin lips and did not say anything else. She turned and walked upstairs.

Even if this woman stayed, she would not affect him in the slightest!

Until PEI Munian's entire person disappeared at the top of the stairs, su Wanwan still couldn't come back to her senses. She actually managed to convince PEI Munian to stay?

Auntie Wu had already walked up to her with a smile. young Madam, you're really amazing. Young master actually agreed to let you stay.

Su Wanwan still couldn't believe it. She looked at aunt Wu in a daze. can I really stay? "

She had thought that they would have to fight for at least 800 rounds, but he had given in just like that? that's right. Since young master didn't chase you away, it means that he has tacitly agreed. You and little master can live here!

Su Wanwan and aunt Wu looked at each other for a few seconds before she finally recovered. The corners of her lips couldn't help but rise. She couldn't help but hug Xiao Zeze and kiss him on the cheek. Xiao Zeze, you're the best movie King. You cry when you want to. Like!

PEI Munian, who was upstairs, heard the laughter from downstairs and her footsteps slowed.
