613 Pouncing on him (3)

PEI Munian, who was upstairs, heard the laughter from downstairs and her footsteps slowed.

He slightly stretched his head and looked downstairs. Su Wanwan's eyebrows curved. Under the light, her smile looked particularly delicate and beautiful. The light in the bottom of her eyes was also very clear and bright, just like the her after Xuxu woke up from her surgery.

As PEI Munian read on, she couldn't help but be a little lost in thought. However, very quickly, he thought of something and his eyes narrowed. His expression quickly turned cold again. He retracted his gaze and walked away without hesitation.

Xiao Zeze's tears were easy to control. Su Wanwan just held him in her arms and he automatically smiled, making aunt Wu praise him for being magical.

Su Wanwan couldn't help but be proud. little Zeze understands my heart the best.

of course, " Auntie Wu said with a smile. it was born from your stomach. You're a mother.

Su Wanwan felt a little guilty again. Although she had no other choice, she still felt uneasy when she used Xiao Zeze to deceive people. After all, a lie is a lie. Paper can't hide fire. Maybe one day, it will be exposed.

As aunt Wu spoke, her gaze couldn't help but fall on su Wanwan. She looked up and down and asked doubtfully, " young Madam, you've recovered your figure so well. The young master should only be a few months old, but you don't look like someone who has just given birth.

Su Wanwan's heart suddenly thumped. She laughed dryly and quickly explained: well, I've hired a professional post-natal recovery guide, so I'm recovering better. Isn't spicy mothers a trend now? "

that's true. Those celebrities are all like this too. Having a child is as good as not having one.

Su Wanwan didn't dare to discuss this topic with aunt Wu anymore and forcefully changed the topic, " aunt Wu, please go and clean up the room just now. Let Xiao Zeze sleep there tonight.

yes, yes, yes. Look at me. I'm so focused on talking to you that I've forgotten what I'm supposed to do. Auntie Wu smacked her head. I'll go and clean it up now!

Then, she looked at the luggage at su Wanwan's feet and spoke again, " young Madam, I'll help you carry your luggage upstairs, but is your luggage in the little master's room or young master Qianqian's bedroom? "

Su Wanwan was stunned.

Before she came, she was only thinking about how to live here smoothly and didn't have time to think about anything else. Now that aunt Wu suddenly asked Wanwan this, she didn't have time to think about it.

The purpose of her coming here was to be in a favorable position so that she could win over PEI Munian again. However, wouldn't it be inappropriate to move into the master bedroom and sleep on the same bed as PEI Munian?

No, no, no, he had to end the battle as soon as possible. Who knew how long he could hide the matter of Xiao Zeze? Auntie Wu's words just now were also a reminder to her. What if others also saw that she didn't look like she had given birth? what if it aroused suspicion?

She wanted to take her time to get PEI Munian in a long-term relationship, but it was too unreliable at the moment. It was better for Qianqian to pounce on him directly. If she was lucky and got pregnant again, then she and PEI Munian would really have a connection, a connection that would never be cut off.

As su Wanwan thought about it, a trace of shyness flashed in her eyes and a little blush appeared on her cheeks. She coughed lightly and her voice was low but very determined. my luggage, just, just move to niannian's room. We are Wanwan's husband and wife, of course we have to stay in the same room.
