618 Pouncing on him (8)

"Ah!" Su Wanwan exclaimed and quickly walked around the table to PEI Munian's side. She took a tissue from the table and wiped PEI Munian's pants. niannian, I'm sorry. I'll help you wipe it clean.

Su Wanwan's hands and feet were nimble. Before PEI Munian could react, she had already taken a paper towel and wiped it over. The place where the milk poured down was the base of her thigh. When she wiped it, it was inevitable that she would touch some places.

PEI Munian's breathing suddenly sank. His already tense body became even more tense. He suddenly stood up and avoided su Wanwan's hand. no need to wipe! Get out!"

"But it's all wet." Su Wanwan still wanted to raise her hand to wipe it, but her wrist was clasped. PEI Munian pulled her up and said with a hint of ruthlessness, " I said you don't need to wipe it, do you understand? "

The strength he used to grab her wrist wasn't tender or protective at all. Su Wanwan took a deep breath in pain, as if he would break her wrist bone if she continued to mess around. Su Wanwan could only nod. I'm not wiping it anymore, but the milk is a little hot. Did you get burned? "

As su Wanwan spoke, her eyes glanced at his lower body and she said with a worried face: "Yingluo, do you want to check?"

The veins on PEI Munian's forehead twitched. She gritted her teeth and said, " you don't have to worry!

As soon as she finished speaking, PEI Munian shook off su Wanwan's hand and strode out of the study room. Su Wanwan rubbed her aching wrist and didn't forget to chase after her. do you want me to help you check? if this hurt ran ran ...

PEI Munian's footsteps suddenly stopped. Su Wanwan was caught off guard and her whole body crashed into her.

His whole body was in a tense state and was extremely hard. Su Wanwan hit his back and her head was a little muddled. PEI Munian had already turned around and her black eyes stared at her, as if there was endless anger in the bottom of her eyes.

Su Wanwan touched her head and swallowed her words. She lowered her head but still unwillingly said in a low voice, " I'm also thinking for you, Huahua.

For his sake? Did he really think that she had deliberately poured the milk on him flawlessly? Such poor acting skills, did she think he was blind and couldn't see it?

PEI Munian took a deep breath and suppressed the urge to strangle this woman in front of her. She then walked back to the master bedroom.

After he shifted his gaze away, su Wanwan stood still for a few seconds before she raised her hand and patted her chest. She gently breathed a sigh of relief. Although she didn't manage to make PEI Munian pounce on her directly, at least she made him return to his room. Tonight was a long night, she would definitely find a chance to pounce on him again!

After su Wanwan cheered herself on in her heart, she also walked back to her room.

PEI Munian had already entered the bathroom to take a shower. Su Wanwan walked over and knocked on the door a few times. She said with great concern, " "Niannian, if you need any help, just call me. I'll be outside."

The sound of water in the bathroom stopped for a moment. Then, the water seemed to be turned to the maximum and her ears were filled with the noisy sound of water. Su Wanwan couldn't help but laugh.

It seemed that she could still influence PEI Munian's mood. Even if she was angry, it was better than being cold and indifferent!

PEI Munian took a shower for about half an hour before coming out of the bathroom. When the door opened, the mist in the bathroom filled the air and his vision was a little blurry. After the mist dissipated, PEI Munian saw the woman lying on her side on the bed.
