PEI Munian woke up?

Su Wanwan tilted her ear and listened. She did hear footsteps. She looked at the clock hanging on the wall. It was still early. He shouldn't be going to the company at this time. He probably had to go for his morning exercise. She remembered that he had the habit of doing morning exercises.

However, even if it was morning exercise, it was still a little too early. It was only a little past six. He usually got up at seven to exercise. Could it be that the anger that Wanwan had held in yesterday hadn't dissipated, so she was doing exercise so early?

Su Wanwan's Black eyes rolled around. Her heart, which had been noisy the whole night, finally felt a little comfortable.

Since she couldn't sleep anymore, she might as well get up and do her morning exercise. She would hang around in front of him more often, and he might not be able to control himself at any time.

Su Wanwan lifted the quilt, got up, and walked to the bathroom. After washing up, she returned to the master bedroom.

As expected, PEI Munian was no longer around. She quickly changed into her casual yet sexy sportswear and chased after her. However, the moment she reached the first floor, she heard the sound of water in the backyard.

Su Wanwan looked out. Through the huge floor-to-ceiling glass window, she saw the slender and strong figure in the outdoor swimming pool. PEI Munian swam in the frog style. Every time her arms stretched out of the water, she could see those strong muscles stained with water droplets. Under the morning light, they glistened.

Just by looking at her arm, one could imagine how mesmerizing PEI Munian's figure would be.

Su Wanwan couldn't help but recall PEI Munian's sexy eight-pack ABS and beautiful mermaid lines in her mind. She couldn't help but swallow her saliva.

Su Wanwan hurriedly raised her hand and patted her cheeks. Her hands were burning hot. Su Wanwan turned around and calmed her emotions.

In the past year, PEI Munian seemed to have become even more attractive. Fortunately, she had woken up in time. Otherwise, PEI Munian would have fallen into Xi Zhiwei's hands. That would be a waste of God's gift!

Hence, it was better for her to keep such a devilish PEI Munian in case she went out to harm others!

Since PEI Munian was swimming, could she do a double with him?

Su Wanwan immediately turned around and went upstairs. She took out the sexy swimsuits she had brought. Fortunately, she had made all kinds of preparations before coming. Pajamas, swimsuits, underwear, she bought them all sexily.

After su Wanwan changed into her swimsuit, she put on a big towel and went downstairs again.

Su Wanwan quietly came to the pool. PEI Munian was focused on swimming and didn't notice her. Su Wanwan aimed at a good angle, threw the towel aside, and jumped in front of PEI Munian.

The water splashed in all directions. Su Wanwan fell into the water, and her elegant and beautiful figure suddenly appeared in front of PEI Munian. Her long hair fluttered in the water and curled on his cheek, carrying a slight itch, as if it was scratching his heart.

Her appearance was caught off guard, like an angel who had accidentally fallen into the mortal world. PEI Munian's eyes were a little dazed, especially after su Wanwan sank to the bottom of the water and her head popped out again.

In an instant, like a lotus out of the water, the water droplets followed her outline and kept falling. Su Wanwan raised her hand and pulled all the hair that blocked her vision to her head. Her delicate face was breathtakingly beautiful. When the sun shone down, it actually felt a little unreal, as if she was in a dream.

PEI Munian's eyes also turned a little dazed. She could not tell if it was reality or a dream, and her hand unconsciously reached out to her beautiful face.
