“Su Wanwan? Wake up! Su Wanwan, are you alright?” PEI Munian’s breath was slightly heavy, and her voice was a little deep.

Su Wanwan’s long and curly eyelashes trembled, but there was no movement.

PEI Munian’s eyes narrowed and looked at su Wanwan’s pale face. PEI Munian quickly pinched su Wanwan’s nose with one hand and lifted her chin with the other hand. She took a deep breath, pressed her thin lips down, and blew into her mouth. Then, she got up, pressed her hands on her chest, and did CPR on her.

PEI Munian did it a few times in a row, but su Wanwan still showed no signs of waking up. PEI Munian’s finger checked su Wanwan’s breathing and it was very weak. Her big palm once again hit su Wanwan’s neighbor, and her hand unconsciously used a little more strength. su Wan, wake up! Su Wanwan was stunned and quickly woke up! Wanwan, Wanwan, Wanwan.”

His last shout seemed to carry a slight tremble.

Su Wanwan’s eyelashes couldn’t help but tremble, and the corners of her lips quietly curled up into a very shallow arc.

Although su Wanwan tried her best to restrain herself, PEI Munian saw every expression on her face. He was stunned for a moment and then realized that su Wanwan was fine?

The panic in PEI Munian’s eyes froze for a moment, then it was filled with anger. He wasn’t angry at su Wanwan, but at himself. In the past year, he had become more and more profound and his mood had also become calmer. Basically, nothing could cause his emotions to fluctuate. However, once su Wanwan returned, her every move could still easily affect his emotions. He seemed to still be the fool of the past, the fool that she could manipulate at will!

As the saying goes, concern makes one confused, so he couldn’t tell if she was really drowning or faking it at the first moment.

Su Wanwan was still waiting for PEI Munian to give her another mouth-to-mouth resuscitation so she could hug him and give him a French Kiss. It would be even better if she accidentally let the gun go off.

Su Wanwan held her breath and waited, but PEI Munian did not kiss her. Instead, his cold voice rang in her ear, word by word. since you can’t save her, I can only throw her out.

Su Wanwan was shocked and reflexively opened her eyes.

PEI Munian’s dark eyes glanced at her coldly, not hiding the sarcasm and sneer in her eyes.

Su Wanwan hurriedly coughed heavily a few times with a confused look on her face. what’s wrong with me? ” Niannian, was it you who saved me?”

PEI Munian was so angry that she laughed. He seemed too lazy to argue with her, so he stood up and turned to leave.

Su Wanwan hugged his leg, raised her head, and said weakly, "Niannian, I-I don't have any more strength. Can you be a good person and Carry Me back to my room?"

"Let go!"

niannian, I almost died just now. Is it appropriate for you to treat a weak woman who barely managed to keep her life so ruthlessly? "

Weak?

To be able to hold her breath in the water for so long and still be able to direct and act with a clear mind, she didn't look like a weak woman at all!

PEI Munian unceremoniously pushed her hand away and looked down at her. su Wanwan, I'm Telling You for the Last Time, behave yourself. I'm only keeping you here because of the child. Don't try to test my patience.

"I'm dizzy."

Su Wanwan was pushed away by PEI Munian and simply fell to the ground. It was as if she couldn't hear PEI Munian's words and her voice became weaker and weaker, " I'm so dizzy.
