Su Wanwan changed into her swimsuit, took a hot bath, and walked to the baby's room. Xiao Zeze had already woken up. He didn't feel uncomfortable because he had changed into an unfamiliar environment. When he woke up, he didn't cry or make a fuss. He just lay there and laughed foolishly.

Su Wanwan walked over and picked him up from the bed. She kissed his little cheek and said softly, "Good Morning, baby."

After washing up Xiao Zeze, su Wanwan carried him downstairs. Aunt Wu had already prepared breakfast. When she saw her, she said, "Young Madam, do you want to have breakfast now?"

Su Wanwan raised her eyes and looked around the dining room. Then, she turned her head to look at the living room. PEI Munian was nowhere to be seen. She couldn't help but say, "Where's niannian?"

"Young master has gone to the office," Auntie Wu replied.

PEI Munian was actively avoiding her. She was really not giving her any chance.

Su Wanwan pouted. I was going to let him enjoy the fun of having breakfast as a family of three. Forget it, I'll eat with Xiao Zeze.

Auntie Wu comforted her with a smile, "young Madam, don't be discouraged. There's still a lot of time in the future. Young master will understand your feelings.

"Yes."

Su Wanwan sat down with Xiao Zeze in her arms. Aunt Wu brought breakfast over. Su Wanwan ate and suddenly thought of something and said, "Auntie Wu, I'm going out for a while, so I'll have to trouble you to take care of little ze ze."

Ever since Xiao Zeze was almost snatched away the last time they went out, su Wanwan rarely took Xiao Zeze out alone. If something happened again, she wouldn't be able to bear it.

young Madam, it's my duty to take care of the young master. There's no trouble at all.

After breakfast, su Wanwan drove out. She first went to the mall to buy a bag of things, then went to the pharmacy to buy a bag of things. Then, she came back with big and small bags.

Aunt Wu looked at the bag she carried in surprise. She originally thought that su Wanwan went out to do something, but she didn't expect it to be just buying things. She quickly said: young Madam, if you want to buy anything, you can just tell me. There's no need to come here yourself.

"These are all important things, so I have to buy them myself."

Important things?

Auntie Wu glanced at the miscellaneous items in the bag, but she couldn't see what was important.

Su Wanwan smiled mysteriously and walked upstairs with the bag.

At the PEI Corporation.

Assistant Wu reported the day's schedule to PEI Munian. He had a dinner appointment that night and he asked PEI Munian out of courtesy. After all, he didn't like such social events. If it wasn't particularly important, he would turn it down.

Unexpectedly, the moment he opened his mouth, PEI Munian agreed.

Assistant Wu was stunned, thinking that she had heard him wrong. B-boss PEI, you want to attend the dinner? "

Assistant Wu's surprise made PEI Munian raise her eyes. She replied lazily, " what's wrong? "

"Yingluo, I thought you didn't like to attend such banquets?" As assistant Wu spoke, she suddenly remembered that miss su had moved into the villa with the young master yesterday. So, Big Boss was trying to avoid miss su?

He was only thinking about it in his heart, but he did not know that he had already said it out loud. The light in PEI Munian's eyes turned cold bit by bit. ahem, ahem, ahem. Boss PEI, that's your schedule for today. If there's nothing else, I'll go and sort it out.

"Cancel the dinner tonight!"

Why did he need to avoid su Wanwan? she was an insignificant woman anyway!
