

Deeply 635

635 He went with her?(5)

Yu Jia's hand that was pushing the door froze. Yingying and Gong Lingyu looked at each other for a few seconds before she realized that she had been deceived. There was no emergency patient at all.

damn it, her assistant was actually bribed by Gong Lingyu?

Yu Jia turned her head and wanted to question the assistant behind her, but when she looked over, the assistant had disappeared without a trace.

Yu Jia couldn't help cursing under her breath. She wanted to pretend that she didn't see anything and leave, but Gong Lingyu had already walked up to her and called out, "Yu Jia.

It seemed like he couldn't avoid it.

Yu Jia sighed in his heart. He could only force himself to look up and smile. what are you doing here? "

"You didn't answer my calls or reply to my messages. I couldn't find you, so I could only come here to find you."

Gong Lingyu's Black eyes were fixed on her, and Yu Jia's eyes flickered. He stammered, "Yingluo, I was just not in a good mood to pick up the phone just now. Is there something you need from me? "

Not convenient to answer the phone?

It wasn't convenient for him to pick up her phone, but she picked up so quickly when her assistant called her.

Gong Lingyu's eyes narrowed. Yu Jia, you've been avoiding me recently.

This sentence was not a question, but a statement.

Yu Jia couldn't help but laugh as if he had heard something funny. what are you talking about? who's avoiding you? I've been very busy recently. I've been performing a few surgeries and I've been busy with blind dates on weekends. Do you think everyone is as free as your young master?"

"Really?"

"Of course it's true." Yu Jia answered affirmatively, "you saw it yourself. I was on a blind date today. I rushed back as soon as I got a call from the hospital. I'm very busy."

Blind dates.

Only then did Gong Lingyu notice that Yu Jia was wearing a lady's dress. Ever since he had known her, he had never seen her in a dress. She had always been wearing a t-shirt and casual pants. Because she was very busy, she rarely dressed up and always wore no makeup. Today, however, she had light makeup on.

He had never imagined how Yu Jia would look in a dress, but today, he suddenly looked a little stunning. Her ordinary facial features actually had a charm to them.

She seemed to have been hiding her beauty.

Gong Lingyu's eyes were a little dazed. Seeing that he was staring at her without saying a word, Yu Jia couldn't help but feel a little guilty. She quickly asked loudly, "I've been really busy recently. What exactly are you looking for me for?"

"Ahem."

Gong Lingyu's consciousness was pulled back by Yu Jia's voice, and he realized that he was in a daze. He collected his emotions and lowered his voice. It's nothing much. It's just that you didn't pick up my calls, so I thought you were still angry about what happened that night, Wanwan.

cough, cough, cough!

This time, it was Yu Jia's turn to cough. She coughed so hard that her face turned red as if she was choking.

"Yu Jia, are you okay?"

Gong Lingyu reached out his hand, wanting to pat her back, but Yu Jia dodged it with a turn of her body and quickly waved her hand. I'm fine. Cough, I'm fine.

Yu Jia coughed for a while before she recovered. She didn't even have time to catch her breath and said in a hurry, "what happened that night was just an accident. We agreed to pretend that nothing happened. I'm not angry, and you don't have to mention it again!"

"But Yingluo."

young master Gong, I really think you're overthinking it. We're both adults. It's not a big deal to get drunk and sleep for a night.
