

Deeply 636

636 He went with her?(6)

Yu Jia shrugged and pretended to be relaxed. don't tell me that you're more bashful than me? You, don't expect me to take responsibility!"

".....?"

Yu Jia's open-minded look really showed that Gong Lingyu was thinking too much.

To be honest, although he didn't like Yu Jia when he first met her, he still thought she was a good friend after getting to know her. She was straightforward, loyal, and carefree. She was a girl, but she didn't look like one at all. She was completely different from the women he knew, and she was easy to get along with and get close to.

He really cherished her as a friend, so he didn't want to lose her because of that accident.

However, he was also to blame. After he made it clear with su Wanwan that day, he couldn't even keep the last trace of nostalgia in his heart. That night, he was in great pain and drank a lot of wine.

In fact, in that year, every time he felt sad because he missed su Wanwan, Yu Jia would accompany him to drink. Over time, every time he felt sad, he would look for Yu Jia. After looking for her many times, Yu Jia found him annoying, but she always said that she would accompany him every time.

That night, he called Yu Jia. She also said that she didn't care about him, but she still came.

They had been drinking together for so many times and had never made a mistake. However, an accident had happened that night.

It was hard to say who started it, but the two of them were entangled together. He couldn't remember what he was thinking at the time. His mind was completely numbed by alcohol, and Yu Jia drank a lot with him. He had no self-control, and neither of them was clear-headed. Once the fire was ignited, all that was left was the instinct of men and women.

Recalling that night, Gong Lingyu couldn't help but feel a little uncomfortable. He had always treated Yu Jia as a brother, but in the end, he slept with his own brother, Yingluo.

However, he had already slept with her, so he had to explain himself. When he woke up that day and saw the bloodstains on the White sheets, he realized that Yu Jia was a woman, and it was her first time.

He was stunned and for the first time in his life, he didn't know what to do. Before he could react, Yu Jia told him it was an accident and that he should pretend nothing had happened.

At that time, he didn't know how to deal with it. Perhaps he had the idea of running away, so he agreed.

However, when Yu Jia started to avoid him, he realized that Yu Jia might not really care about him. That was why he came here. He still didn't want to lose this friend.

"Yu Jia, you really don't mind?"

I don't mind. How many times do you want me to say that? also, don't mention this again. I've been going on blind dates recently. If others find out, who would dare to want me? you better keep this matter to yourself. If any rumors spread, I, I'll cut off all ties with you!

When Yu Jia said she didn't mind, Gong Lingyu heaved a sigh of relief. However, hearing her mention the word " blind date " again and again, he felt inexplicably annoyed.

He suppressed the strange thoughts in his mind and looked at Yu Jia. so, are we still friends? "

Yu Jia's long and curled eyelashes trembled. Her lips curved into a smile, and her eyes curved into crescents. of course we're friends.

Yu Jia smiled, but his eyes were full of bitterness that disappeared in a flash.
