Even if it was a fact that she clearly knew, when it came out of assistant Wu's mouth, su Wan's heart still felt as if it was pierced by something sharp, and her heart ached.

She held her phone and was silent for a long time before she asked in a low voice, "so, niannian didn't go on a business trip, but Hanhan went on a trip with Xi Zhiwei?"

"Miss su, please don't ask about this."

forget it, you don't have to answer. I already know.

Assistant Wu sighed on the other end of the phone and called out "miss su. he seemed to have something to say, but he hesitated. In the end, he only said, "I don't suggest you go after them now. You'll be happier if you can't see some things.

You'll be happier if you can't see? That was clearly a cover-up!

Even if she chased after them and saw PEI Munian and Xi Zhiwei in love, she would still go. Since she had decided to return to PEI Munian's side, she had to defend her position. Before he could chase her away, she would not give up any hope and would not let Xi Zhiwei be pleased.

After su Wanwan finished explaining to little Zeze, she hugged little Zeze and kissed him again and again. Then, she pulled her suitcase and reluctantly said goodbye to him. little Zeze, wait for me to bring your father back. Be good!

Su Wanwan waved her hand and blew a kiss at Xiao Zeze.

Aunt Wu carried Xiao Zeze and said goodbye to su Wanwan. She then urged, "young Madam, be careful on the road. Be sure to pay attention to your safety and take good care of yourself. Remember to call if anything happens.

"Don't worry,"

PEI Munian and Xi Zhiwei were in London, England. Su Wanwan flew straight to London. After getting off the plane, she got a taxi to take her to the hotel address that assistant Wu gave her.

After arriving at the hotel, su Wanwan paid the taxi fare and dragged her suitcase into the hotel.

Su Wanwan took out her phone and skillfully dialed PEI Munian's phone. The other side still rang for a long time before hanging up automatically. Su Wanwan helplessly stared at the huge hotel in front of her.

Assistant Wu only said the hotel and refused to say anything else. So, she had no clues here. What should she do?

Su Wanwan thought about it and walked to the front desk.

The receptionist was a tall beauty with blonde hair and blue eyes. She smiled and spoke fluent English, "miss, how can I help you? "

Su Wanwan knew that this kind of five-star hotel was very cautious about the privacy and confidentiality of its guests. If she directly asked which room PEI Munian was in, she might not be able to get anything out of her. It was better to be more roundabout.

Su Wanwan coughed lightly. Hello, there's a package for Mr. PEI Munian. Can you let him come down and sign for it? "

"Alright, please wait a moment."

The beautiful receptionist smiled and checked PEI Munian's room number. Then, she picked up the internal phone and dialed the number.

Su Wanwan stretched her neck slightly, her eyes glanced at the number she dialed and wrote down the room number.

The phone rang for a long time, but no one picked up. The beautiful receptionist apologized to her, " I'm sorry, Mr. PEI Munian is not in his room right now. If you're willing, you can leave the package at our front desk and we'll pass it to him when he comes back.

Su Wanwan was just about to say no need when another front desk suddenly said to the beautiful girl just now: "You can try to call Mr. PEI's wife's room number. Maybe she's there."

Her words entered su Wanwan's ears word by word. Su Wanwan's eyes widened in shock.
