

Deeply 639

639 He went with her?(9)

He denied their relationship. She was clearly his wife, but he casually said that she was just a friend in front of others, Yingluo.

Su Wanwan's eyes turned red in an instant. Her big eyes stared at him, trying to see a guilty look in his calm eyes, but Huahua couldn't see anything.

The old man seemed to be very hospitable. When he heard that su Wanwan was PEI Munian's friend, he smiled politely. since you're Mr. PEI's friend, it must be fate that we met. This beautiful lady, come to my Manor tomorrow to play.

PEI Munian furrowed her brows and opened her thin lips slightly. elder Lin, she's not in the same line as us, so we won't waste time.

Su Wanwan originally wasn't interested in going to the manor to play, but PEI Munian couldn't wait to reject on her behalf. Su Wanwan gritted her teeth, forced out a smile, and said to the old man, "Sure, I'll definitely go."

PEI Munian's words were interrupted and she looked at su Wanwan.

Su Wanwan only looked at the old man.

The old man was very happy. He nodded and smiled, "Then I'll be waiting for you in the manor tomorrow."

The old man took off his hat and placed it on his heart. His other hand also held su Wanwan's hand and symbolically kissed the back of her hand. beautiful miss, see you tomorrow.

The old man got into the car, waved at them, and the car slowly drove away.

PEI Munian retracted her black eyes and looked at su Wanwan's face. His eyes were deep and bottomless. She couldn't detect a trace of emotion. She pursed her thin lips and her voice returned to its usual coldness. why are you here? "

What was she doing here?

Yes, she also wanted to ask why she was here.

Assistant Wu had reminded her before that there were some things that made her happier if she didn't know, but she didn't believe that. So, she really asked for this embarrassment.

Su Wanwan let go of PEI Munian's hand and took two steps back. She could actually still smile.

PEI Munian looked at the smile on su Wanwan's face. It was uglier than crying. A dark light flashed in the bottom of his eyes. He raised his hand to look at the watch on his wrist and said, forget it. I'll get someone to book a flight for you tonight. You can go back to China.

A flight at night? She had just flown over and had already given her such a heavy blow. She had yet to recover and now, she wanted to send her away. As expected of PEI Munian, she was always so direct and decisive.

Su Wanwan sniffed hard and suppressed the sourness that surged up from the bottom of her heart. She still smiled. we're just friends. You don't have the right to decide whether I stay or go. I flew here with great difficulty, why should I leave? That old gentleman said that he would invite me to his Manor to play, and I've already promised him. I won't break my promise!"

Su Wanwan clenched her hands hard, dragged her suitcase, rushed back to the front desk, and said, "get me a room.

"Alright, miss, please show me your identification," the beautiful receptionist said with a smile.

Su Wanwan lowered her head, unzipped her bag, and rummaged for her wallet and identification documents inside, but she couldn't find them. She was so anxious that her tears fell on the back of her hand.

Su Wanwan raised her hand to wipe her tears, but the more she wiped, the more tears she shed, and her vision blurred.

The sound of footsteps came from behind and gradually approached. Su Wanwan wiped the corner of her eyes hard and went to look for her wallet again. This time, she caught it with one grab. She took it out, her fingers trembling. She opened the wallet to take the money and identification.
