Chapter 64 It's just that she doesn't love me vi

When PEI Munian walked past su Wanwan, su Wanwan's nerves subconsciously tensed up and even her back straightened. However, he didn't stop at all. He went straight to the bed, lifted the quilt, and lay down.

Su Wanwan didn't dare to look at him at all. She stared at her face in the mirror without turning away, applying skin care products.

The bedroom was completely quiet. Su Wanwan's movements slowed down and became gentler. Her breathing was extremely light and the movements of her hands also slowed down.

After a while, su Wanwan secretly glanced at the man on the bed from the corner of her eye. PEI Munian had one hand behind her head, her black eyes closed slightly, as if she had fallen asleep. She secretly heaved a sigh of relief.

After taking care of her skin, su Wanwan stood up. She first went to turn off the light in the bedroom, then gently walked to the other side of the bed, lifted the quilt, and was about to lie down when PEI Munian suddenly turned over. Su Wanwan's breathing stagnated and her movements couldn't help but stiffen.

He's not asleep yet, Yingluo.

Su Wanwan's heart, which had originally relaxed, instantly tensed up again and her movements became more careful.

After lying on the bed, su Wanwan was almost close to the edge of the bed. Her hands and feet were placed in an orderly manner and then she didn't move.

Come to think of it, this was the first time she had slept with PEI Munian in a sober state. Before this, she would fall asleep before he came back, so su Wanwan inexplicably felt a trace of panic and a trace of throbbing deeply hidden in her heart.

There was clearly a distance of nearly an arm's length between the two of them, but she could still faintly smell the light and pleasant smell on his body lingering around the tip of her nose. The air suddenly had a dry and hot feeling. Su Wanwan unconsciously pulled the nightgown on her body.

Su Wan forced herself not to let her imagination run wild and wanted to go to sleep as soon as possible. But the more it was like this, the more awake her head was. Also, because it was dark, people's senses were infinitely magnified, and that feeling of dryness and heat was even more obvious. The nightgown wrapped too tightly, and she slept uncomfortably. Su Wan thought, anyway, the light has been turned off now, he won't see anything. She reached out, slightly pulled open her collar, and then gently breathed.

After sleeping in the same position for a long time, su Wanwan felt a little uncomfortable. She wanted to turn over, but she was afraid of disturbing PEI Munian, so she turned very, very slightly. But she didn't expect that before she finished turning, PEI Munian also suddenly turned over. Su Wan's hands and feet didn't have time to withdraw, so they just bumped into each other.

Su Wanwan's heart suddenly stopped for a moment and she felt that something was wrong. Sure enough, the next second, the man suddenly turned over and sat up, slamming the bedside lamp hard. PEI Munian's Black eyes stared at her coldly, the bottom of her eyes deep and dark. Her voice was cold and mocking, "su Wanwan, the second sum of money has just been transferred and you want to seduce me to get the third sum of money so soon?"

PEI Munian's accusation made su Wan sit up in shock. In all honesty, she didn't have the slightest intention of seducing him. Otherwise, she wouldn't be so careful. She shook her head hard and wanted to explain, but perhaps she sat up too quickly, the nightgown she pulled open just now actually slid down her shoulders and elbows, revealing a large part of her white skin.

Su Wanwan was stunned and her whole person was immediately dumbfounded. It's over, Yingluo can't clear her name even if she jumped into the Yellow River now.

Sure enough, PEI Munian's mocking smile deepened. su Wan, if you really want it that much, you might as well admit it openly. Pretending in front of me will only make people more disgusted!
