Su Wanwan had just taken out her passport when a hand suddenly reached out from behind and took the passport from her hand. The man's voice rang in her ear, but he said to the beautiful receptionist, "she's not getting a room, thank you."

Su Wanwan turned around and glared at PEI Munian with her black eyes. give me back my passport!

"I'm going back to China." PEI Munian still said these three words indifferently.

Su Wanwan was so angry that she laughed. Who are you? do I know you? " He's Xi Zhiwei's husband, what right do you have to make me return to China?"

As she spoke, she reached out to grab the passport in PEI Munian's hand. However, when he raised his hand, su Wanwan's hand couldn't reach it. She could only stretch out her fingers and couldn't help but tiptoe to reach it.

"Give it back to me!"

PEI Munian held her passport in one hand and took out her phone from her pocket with the other. She quickly made a call.

The moment the call was picked up, PEI Munian said, " "Check the number of flights that are coming back tonight."

Su Wanwan couldn't reach the passport no matter what. When she heard PEI Munian's words, she was so angry that she grabbed PEI Munian's hand, opened her mouth, and bit down hard.

Su Wanwan's voice stopped abruptly. Su Wanwan bit her without mercy. The pain hit her and PEI Munian groaned. Su Wanwan took the opportunity to snatch PEI Munian's phone and hung up without hesitation.

Xi Zhiwei had also walked over from the door. When she saw the scene in front of her, she quickly ran over and held PEI Munian. Her voice was full of worry. brother Munian, are you alright? "

She glanced at PEI Munian's hand and saw that the place where she had been bitten was bleeding. Her voice was suddenly filled with sobs. you're bleeding. Brother Munian, does it hurt? "

She reached out her hand, as if she wanted to touch PEI Munian's hand, but he avoided her hand. I'm fine.

A trace of anger suddenly appeared in Xi Zhiwei's eyes and she fiercely glared at su Wan. you're so cowardly.

"Wei Wei, go back to your room first."

PEI Munian suddenly spoke. Her voice was light, but it was undeniable. Xi Zhiwei's angry words were stuck in her throat. She looked up at PEI Munian and opened her mouth, but when she saw the coldness in his eyes, she could only close her mouth.

“Then I’ll go up first.”

Xi Zhiwei turned to leave, but she paused and added unwillingly, “ brother mu Nian, don’t drag this on for too long. You still need to apply medicine to your wound.

Su Wanwan stood there and looked at the two people in front of her. She felt more and more ridiculous.

She took a step forward and stretched out her hand to PEI Munian. return my passport to me and you can follow your wife back to the room to apply the medicine!

It was as if PEI Munian didn’t hear su Wanwan’s words. He turned his face to the side and said to the beautiful receptionist: “Help me check the flights to L city in China tonight.”

“Alright, please wait a moment.”

The beautiful receptionist quickly checked and replied apologetically, “ I’m sorry, Mr. PEI. There are no more flights to L city in China tonight.

“What about tomorrow?”

“The earliest shift tomorrow is at 8:10 in the morning.”

“Sure, book this flight. Here’s your passport.” PEI Munian handed su Wanwan’s passport to the beautiful receptionist.

Su Wanwan was so angry at PEI Munian’s self-talking behavior that she wanted to die. She wanted to get her passport back, but she was stopped by PEI Munian’s long arm.

He held her in his arms and stopped her from struggling. Then, he said to the front desk, “ “I’ve booked the ticket. Get someone to send the ticket and this luggage to my room.”
