

Deeply 641

641 Do you hate seeing me that much?(1)

Su Wanwan reached out and grabbed the front desk. where are you taking me? " I'm not going with you, miss, help me, call the police, I don't know this person!"

The beautiful receptionist looked at su Wanwan in shock and then at PEI Munian. Mr. PEI, this Wanwan?
"

PEI Munian's face was still expressionless. He bent down slightly and directly carried su Wanwan on his shoulder. Then, he forcefully pried away her hand that was holding onto the front desk and strode towards the elevator.

Su Wanwan's body fell down and all the blood rushed to her head, making her dizzy. She clenched her hands into fists and hit his back fiercely, " let me go, let me down, help ...

PEI Munian pressed the button for the elevator and walked in. Su Wanwan took advantage of the time when he reached out to press the floor button again and struggled to jump off his shoulder, wanting to rush out.

Anyway, her luggage and passport were still at the front desk. She could just rush out and not let him take her away. Otherwise, he would definitely force her to return to China tomorrow morning.

She was already here, don't even think about letting her go back like this. Don't even think about happily swimming with Xi Zhiwei as a " husband and wife ". She had to stand between them to be an eyesore!

Su Wanwan had just stepped out of the elevator when she was grabbed by the shoulder and pulled back. Su Wanwan waved her arm to beat him up, but PEI Munian grabbed her wrist. She raised her foot to kick him, but PEI Munian's long legs directly approached her, directly forcing her to the steel arms of the elevator. His hands pressed her hands on both sides of her cheeks, firmly imprisoning her in front of him. His black eyes fell on her face and his tone was also a little breathless, " have you had enough? "

Are you done?

Hehe Yingluo

All the things she cared about now had either become a game or a joke, right?

Su Wanwan looked up at PEI Munian and couldn't help but burst into tears. Even though she had seen it with her own eyes and heard it with her ears, she still wanted to ask, " is Xi Zhiwei really your wife in your heart? "

So he was unmoved by her fawning, so he couldn't avoid her pursuit?

PEI Munian stared at her, the light in her eyes seemed a little strange, but it also seemed like nothing. He did not say anything and waited for the elevator to reach the floor with a ding. Then, he pulled her out.

After taking a few steps, he saw Xi Zhiwei standing at the door of the room. She was wearing a nightdress with a long muslin coat draped over her. Her sexy figure was partly hidden and partly visible. She was even more attractive than if she was not wearing anything.

Was this how Xi Zhiwei had dressed in front of PEI Munian these past few days? Or perhaps, they were the ones who were afraid.

Su Wanwan once again glared at PEI Munian, grabbed his arm, and unceremoniously took another bite.

PEI Munian frowned but did not shake su Wanwan off. Her black eyes swept over Xi Zhiwei and she said in a deep voice, "What is it?"

Xi Zhiwei didn't expect PEI Munian to bring su Wanwan up. Her eyes widened slightly, and her hand unconsciously tugged at her nightdress. Then, she raised the phone in her hand. it's nothing. You didn't pick up old master Lin's call just now. He called me and said that he would send a car to pick us up tomorrow. I came to tell you.

alright, I understand. You can go back and rest.

PEI Munian raised her head slightly and pulled su Wanwan forward. She took out the key card to open the door and pushed her in.
