645 Do you hate seeing me that much?(5)

PEI Munian held the car door and bent down slightly. Her black eyes looked at su Wanwan's side profile. Her thin lips moved as if she wanted to say something, but she didn't say anything and just closed the car door.

The driver returned to the driver's seat, started the engine, and slowly drove away.

PEI Munian stood there and watched as the car drove further and further away. Only when it disappeared from his sight did he move his body and turn to return to the hotel.

—

At nine O'clock sharp, elder Lin's car arrived at the hotel entrance on time.

PEI Munian and Xi Zhiwei walked out of the hotel together. Elder Lin's chauffeur greeted them respectfully. Mr. PEI, Mrs. PEI, Good Morning.

PEI Munian only nodded her head slightly. Xi Zhiwei, on the other hand, smiled and replied, "Hello.

The two of them sat in the car, and the driver drove, joining the traffic flow and driving towards elder Lin's Manor.

Elder Lin's Manor was on the outskirts of the city, a little far from the city center. It took the car nearly two hours to reach the gate, and another half an hour to reach the main gate of the house.

PEI Munian and Xi Zhiwei alighted from the car and a man who looked like a typical English butler came up to them. Mr. PEI, Mrs. PEI, welcome to the manor. Old master is already waiting for you inside.

After a pause, the Butler looked behind them and asked, "master said that he invited three distinguished guests today. Is there still a young lady who hasn't arrived yet?"

PEI Munian's thin lips parted slightly as she replied, "she suddenly had something to do and went back to China. She's here today.

Before PEI Munian could finish speaking, another car suddenly drove over from behind. Everyone looked over at the same time and saw su Wanwan pushing open the car door and getting out. She took a few steps forward and greeted PEI Munian with a smile. sorry, I'm a little late. Fortunately, I'm not late, right?"

PEI Munian's eyes narrowed and her pupils constricted.

Xi Zhiwei was also surprised. Shouldn't su Wanwan be on the plane at this moment? Why would he appear here?

Su Wanwan's gaze shifted from PEI Munian's face to Xi Zhiwei's face and she curled her lips. Xi Zhiwei's eyebrows furrowed at her smile and she couldn't help but look at PEI Munian.

PEI Munian strode over to su Wanwan, put her big palm on su Wanwan's head, and pushed her back into the car. She then said to the driver in front, "Bring her back to the airport."

Su Wanwan forcefully pried PEI Munian's hand away and glared at him fiercely. why? I'm also a guest invited by the old Sir today, I'm not leaving!"

"Just go back when I tell you to!"

PEI Munian's voice suddenly rose, and her eyes darkened. elder Lin invited me and Weiwei. We're husband and wife. Do you think there's a place for you here? "

Husband and wife?

Did he finally admit it?

In his heart, Xi Zhiwei was his wife?

Su Wanwan's long and curly eyelashes trembled. Her tears wet her eyelashes, but she curved her lips and smiled. whether there's a seat or not, it's not up to you to decide. It's up to the owner.

She didn't know where the strength came from, but su Wanwan actually pushed PEI Munian away. She got out of the car and said to the Butler standing there, " "Right? I'm also a guest invited by the old Sir, can I stay?"

The Butler glanced at PEI Munian and su Wanwan with a puzzled look and said, " "Mr. PEI, this lady will have a chat with you."

This time, before PEI Munian could reply, Xi Zhiwei spoke first. friend, sister Wanwan is our friend.
