664 I don't want to owe her (10)

Yu Jia's face seemed to say, " I'm very interested in you.

The man's eyes narrowed. Inexplicably, he found Yu Jia's appearance extremely unpleasant to the eye. She was not suitable for this kind of delicate appearance at all. It was too pretentious!

The man's face darkened and his thin lips were tightly pursed. A hint of hostility flashed in his eyes.

The Wu family's daughter, who was sitting opposite him, saw his sudden change in expression and thought she had said something wrong. Her smile froze and she asked softly, " "Mr. Gong, what's wrong? Did I say something wrong?"

Gong Lingyu's eyes flickered and he came back to his senses. nothing. Continue.

In fact, he didn't hear what she said at all. When he walked into the restaurant, he saw Yu Jia at first glance. Seeing her eating with a man with a smile on her face, the word " blind date " that she often mentioned appeared in his mind unconsciously.

He was also forced by his mother to come for a blind date today. After all, he wasn't young anymore. Ever since he broke off the engagement with su Wanwan, he hadn't dated any other woman. Mother Gong was very anxious and was most afraid that he still had any thoughts about su Wanwan. So, after crying and making a fuss a few times, he had no choice but to agree to meet this miss Wu that she had her eyes on.

Under such circumstances, he should have picked a seat further away from Yu Jia and kissed her on their own. However, his footsteps didn't listen to him. He walked straight to Yu Jia and sat next to her.

He didn't hear what miss Wu said, but he heard Yu Jia's fake gentle voice and all kinds of pretense. The more he heard, the angrier and more piercing he got.

After receiving Gong Lingyu's encouragement, miss Wu's cheeks flushed red, and her eyes were filled with a touch of shyness. She took a deep breath and mustered up her courage to say, " Mr. Gong, I quite like you. If you think I'm not bad, I think we can try dating. My parents, uncle, and Auntie will be very happy to see us together.

When miss Wu said this, hou Jia also said something similar to Dr. Xu. Dr. Xu, I think we have the same profession and have common topics to talk about. We had a good meal today. I wonder if we have the chance to have a meal together next time? "

Dr. Xu was a little surprised as if he didn't expect Yu Jia to take the initiative. However, he didn't mind it. Instead, he smiled and replied, " I think this should be said by a man. Dr. Yu, may I have the honor of inviting you to dinner again? "

Yu Jia's eyes quickly lit up with a dazzling light. She stared at Dr. Xu for a few seconds, then opened her mouth and was about to say yes when a familiar voice suddenly came from behind her. no!

His voice was a little loud and shocked her. The word "okay" was stuck in her throat. The next second, her wrist was grabbed and she was pulled up from the chair. Then, her waist was held by a long arm and her chin was hooked. A shadow covered her eyes and her lips were pressed against a soft lips.

Yu Jia's eyes suddenly widened, full of shock.

Miss Wu and Dr. Xu were also stunned. They stood up involuntarily and looked at the two people kissing in front of them.

Yu Jia blinked, then blinked again. She couldn't react at all.

Gong Lingyu, on the other hand, left after his thin lips touched hers. He pulled the dazed her into his arms and said to miss Wu, "I'm sorry, but I already have a girlfriend."
