665 I don't want to owe her (11)

".....?"

".....?"

Miss Wu and Dr. Xu looked at each other. Miss Wu looked at Gong Lingyu in shock, then her gaze fell on Yu Jia. G-Mr. Gong, you have a girlfriend? "

When he introduced her to a blind date, he clearly said that she was single, but suddenly, a girlfriend appeared? Or did he just randomly pick it up from the next table?

Miss Wu seemed to have thought of something. Her eyes were filled with doubt and anger. Mr. Gong, even if you don't like me, you can't just find someone and say that she's your girlfriend, right? That would be too disrespectful."

"Anyone?" Gong Lingyu's lips curled up. then you'll have to take a good look and see if he's just anyone!

Gong Lingyu lowered his head and cupped Yu Jia's face in his hands. His thin lips pressed down again without any explanation. This time, it wasn't just a simple lip contact, but he sucked on her lips and traced the shape of her lips with the tip of his tongue. He then pried open her teeth and entered.

"Ha."

Shocked by Gong Lingyu's actions, miss Wu laughed out of anger. She grabbed her bag and walked away in her high heels. When she passed by Gong Lingyu, she even cursed fiercely, " bastard.

Yu Jia's consciousness was finally pulled back by this plaintive b * stard. The dullness in her eyes faded, and Gong Lingyu's face, which was very close to her, was imprinted in her eyes. Her black pupils suddenly enlarged, and Yu Jia pushed Gong Lingyu away with force.

Gong Lingyu was caught off guard and staggered from the push. He barely managed to stand firm.

Yu Jia wiped his lips hard and stared at him. His lips trembled in shock and anger. you're teasing me. When did I become your girlfriend? " he asked. Also, you actually ran, you actually ran."

Doctor Xu also came back to his senses from this incident, but his eyes were full of doubt. He could not help but say, " "Dr. Yu, this is Yingluo."

Damn it, she had forgotten that Dr. Xu was still here. There was already hope for her and Dr. Xu's future development. She couldn't ruin it!

Yu Jia temporarily gave up on settling scores with Gong Lingyu. She turned around and quickly explained to Dr. Xu, " Dr. Xu, I actually don't know Yingluo.

Before she could finish, Gong Lingyu walked over again and pulled Yu Jia into his arms again. With a face full of regret, he said, " "My dear, I know I shouldn't have been forced by my parents to go on blind dates with other women, but you can't go on blind dates with other men just because you're angry. You even said you don't know me?"

“What nonsense are you talking about!”

Yu Jia scolded Gong Lingyu and then anxiously said to doctor Xu, “ Dr. Xu, it’s not like that. I’m single. I don’t know him, really!

The next second, Yu Jia’s face turned back. my dear, I know I’m wrong. I won’t go on blind dates again, and I won’t see other women. Can you stop angering me with other men? ”

“.....?”

Yu Jia was so angry that she laughed and almost gritted her teeth. Gong Lingyu, what’s wrong with you? Do you want to die?”

Yu Jia tried hard to break free from Gong Lingyu’s arms, but he held her tighter and tighter, making her unable to move at all. He continued his act of repentance. Jiajia, are you still not willing to forgive me? Alright, I’ll take you to see my parents and ask them to let us be together. I’ll tell them that I’ll only marry you, okay?”
