Su Wanwan listlessly turned over and got out of bed. After washing up, she went to the baby's room. Xiao Zeze was already awake and aunt Wu was carrying him out of the baby's room. Su Wanwan forced herself to cheer up, walked over and said to Wu Zheng: "I'll take care of little Zeze, you can go back to work."

Auntie Wu nodded and handed the child to her.

Su Wanwan took the child and first carried him to the bathroom to wash his face and change his diaper. Then, she carried him out and found clothes to change him.

While su Wanwan changed Xiao Zeze's clothes, she muttered, "Xiao Zeze, your brother-in-law is a Big Bad guy. He only knows how to bully me. I ran all the way there, but he actually drove me back without a word and kept protecting Xi Zhiwei. Did you know that Xi Zhiwei and I fell down while riding a horse together? he didn't even pay attention to me and only cared about Xi Zhiwei. He also said those hurtful words to me, saying that I disturbed him and Xi Zhiwei. Does he know that he's still a married man? "And the Father of a child?"

When su Wanwan said this, she couldn't help but feel a little sad. Her hand gently touched Xiao Zeze's face and sighed: "Little Zeze, if only you were my child with niannian. Then I wouldn't have to be so nervous and so unconfident."

"Qianqian doesn't even have the right to speak when she sees PEI Munian and Xi Zhiwei together."

Xiao Zeze opened his beautiful black Pearl-like eyes and continued to laugh happily, not feeling su Wan's depression in the slightest.

"I wonder what they're doing now."

Su Wanwan muttered. Her mind couldn't help but float to the scene of PEI Munian hugging Xi Zhiwei under the moonlight. The affectionate scene shocked her so much that she suddenly quivered and shouted, "no way! Absolutely not!"

Little Zeze seemed to be shocked by her. He looked at her and pouted, as if he was about to cry.

Su Wanwan quickly returned to her senses and was about to open her mouth to coax him when inspiration flashed in her mind. Yes, how could she forget Xiao Zeze, this important weapon?

PEI Munian had chased her back and had been alone with Xi Zhiwei the whole time. If she was not careful and sparks really started to fly, what would happen?

He could not let PEI Munian and Xi Zhiwei continue to stay like this. He had to let PEI Munian return to China. At least, he had to let her know when he would be back!

Su Wanwan pursed her lips and said to Xiao Ze: "Little ze ze, I need your help again!"

She could not get PEI Munian back, but Xiao Zeze should be able to, right? However, she had been chased back home in such a sorry state. If she took the initiative to call him now, wouldn't she lose face?

Su Wanwan's Black eyes rolled around. She picked up Xiao Zeze, left the room, and walked downstairs.

Auntie Wu walked out of the kitchen and said with a smile, " young Madam, breakfast is ready. Do you want to eat now? "

Su Wanwan shook her head and sat down on the sofa in the living room with Xiao Zeze in her arms. She then replied, " "We'll eat later. Auntie Wu, come over for a moment."

Auntie Wu walked over, confused. young Madam, what's wrong? "

Su Wanwan grabbed the landline phone and stuffed it into aunt Wu's hands. Aunt Wu was even more puzzled. young Madam, what are you doing? "

Su Wanwan's Black eyes flickered. She cleared her voice and pretended not to care. PEI Munian has been on a business trip for so long. She didn't even call back. Little Zeze is unhappy.

"Help Xiao Zeze call him."
