"Ah?" Aunt Wu looked at su Wan in surprise and then looked at the innocent-looking Xiao Zeze in her arms. She was stunned for a moment and then burst out laughing.

"Young Madam, is it the young master who is unhappy? Or are you not happy?"

Aunt Wu's teasing made su Wanwan a little angry from embarrassment. She retorted, "I-I'm not unhappy. PEI Munian can do whatever he wants. I don't care about him. I just can't make little ze ze unhappy."

Auntie Wu covered her mouth and laughed. She did not expose her and just nodded. yes, yes, yes. The young master is unhappy that he can't see his father. The young master has been on a business trip for so long. It's indeed wrong for him to not get through.

right? you're already a father, yet you have no sense of responsibility at all!

Su Wanwan's chin pointed angrily at the phone in aunt Wu's hand. call PEI Munian and teach Wanwan a good lesson. Educate him and ask him to come back quickly.

"Alright," he said. Auntie Wu took the receiver and stretched out her finger to dial the number on the landline. After a few rings, the call was picked up. PEI Munian's deep and pleasant voice came through. Hello.

Su Wanwan's ears immediately perked up.

Aunt Wu glanced at su Wanwan and a smile appeared in her eyes. She said, "young master, it's me."

"Yes, what is it?"

"It's nothing much. It's just that you've been away on a business trip for almost half a month, young master. Everyone at home misses you, especially Hanhan." Aunt Wu once again looked at su Wanwan. Su Wanwan pretended not to care and turned her head to look at the scenery outside.

Auntie Wu smiled. especially the young master. He misses you so, so much. He always cries when he doesn't see you. So, I'm asking for the young master. When are you coming back? "

PEI Munian was silent for a while before she replied indifferently, "Is that so? He's still so young, and he already misses people?"

of course, children are very sensitive. Their mother is also very sensitive.

cough, cough, cough, cough! Su Wanwan suddenly coughed heavily and interrupted aunt Wu's words.

Auntie Wu smiled again and returned to the main topic. young master, if you're done with work, you should come back earlier. The house is empty when you're not at home.

This time, PEI Munian was silent for a long time. Su Wanwan waited for his answer at the side and held her breath unconsciously. She was worried that PEI Munian would say that he wasn't coming back and that he was going to spend the night with Xi Zhiwei.

“Okay, I’ll go back when I’m done. Tell Xiao Zeze that I miss him too.”

PEI Munian’s voice was low as she spat out each word with a charming hoarseness. It was as if something was gently touching one’s heartstrings. Auntie Wu was already so old, but her heart still trembled when she heard it.

It was really a crime!

PEI Munian said a few more words before ending the call.

Because PEI Munian had lowered her voice, su Wanwan couldn’t hear clearly and didn’t know what he said. After aunt Wu Hung up the phone, she coughed and pretended to ask casually, “ PEI Munian, what did he say? ”

Auntie Wu put down the phone and smiled. young master said he had something to deal with. He’ll be back once he’s done.

“Just like this?”

“Young master said that he misses Xiao Zeze too and asked me to tell him.”

“What else?”

“And Yingluo will bring back a gift for Xiao Zeze. Tell him not to be angry.”

Why did he keep mentioning Ozawa? Su Wanwan puffed up her cheeks sullenly. didn’t, didn’t you say anything else or ask anything else? ”
