### 672 Two-faced (2)

Yu Jia was just guessing, so she couldn't give a definite answer. I haven't found anything else yet, but I heard some gossip about the doctor you mentioned before from Dr. Xu!

The doctor she mentioned, wasn't that elder Lin?

Su Wanwan was shocked. what gossip? "

when Dr. Xu was studying in the UK, he happened to intern at the hospital that the doctor used to work in. Although the doctor left for a long time, everyone still talked about him. It was said that he left the medical world because of his wife. His wife was sick, and he had to operate on her, but Hanhan's operation failed. It was a huge blow to him at the time, so he couldn't hold the scalpel again. Later on, someone asked him for surgery, but he rejected them all. However, if it was a couple in love who came to him, he would be willing to consider."

A couple in love?

The light at the bottom of su Wanwan's eyes was slightly dull. In her mind, between the flashes of knives and swords, she seemed to understand something.

If PEI Munian had brought Xi Zhiwei to seek treatment from elder Lin, then if he addressed Xi Zhiwei as husband and wife, was it just to confuse elder Lin and not because he had already decided that Xi Zhiwei was his wife?

So, when he told Grandpa Lin that she was just a friend, he didn't mean it?

Su Wanwan's deathly still heart seemed to have been lit up by a big fire, burning fiercely. It seemed that her guess was not wrong. Perhaps PEI Munian and Xi Zhiwei were just acting and it was just a misunderstanding.

"Hello? Hello? Wanwan, are you still listening? Wanwan?"

Su Wanwan returned to her senses. Her eyebrows curved and a touch of light appeared at the bottom of her eyes. The corners of her lips couldn't help but rise and her voice was filled with excitement, " Yu Jia, I love you to death. You're really too awesome!

Yu Jia was stunned. why are you so happy all of a sudden? "

"I'm just very happy, very happy!" Su Wanwan was so happy that she was incoherent. She covered her mouth and rolled on the sofa. She accidentally rolled on the ground. She groaned but still couldn't hide her smile.

She could finally wait for PEI Munian's return in peace. She could finally calm down and win PEI Munian back!

—

It was night.

When su Wanwan was sleeping in a daze, the sound of a car driving in suddenly came to her ears. Su Wanwan didn't care and turned over. The next second, she suddenly opened her eyes.

Why was there the sound of a car? No one would come to visit in the middle of the night, right?

Her black eyes turned and inspiration flashed in su Wan's mind. She suddenly realized something and jumped up from the bed. She didn't even care about wearing her shoes. She stepped on the floor barefooted and ran towards the balcony!

She grabbed the railing with both hands and leaned her body out. Her dark eyes looked in the direction of the door. The car slowly drove in from the main gate and stopped in front of the main house. The driver got out of the car, went to the other side of the car, and opened the door of the back seat.

Su Wanwan subconsciously held her breath.

Had PEI Munian returned? Had the man she had been waiting for finally returned?

Su Wan first saw a long leg step out. Then, the man's figure gradually appeared. Even through the Twilight, su Wanwan could still clearly see that handsome face and the corners of her lips involuntarily curved.
