It was as if PEI Munian didn't hear su Wanwan's words. She fed Xiao Zeze in her arms.

Su Wanwan puffed up her cheeks. She wasn't discouraged at all. She dragged the chair and moved to PEI Munian's side. She took Xiao Zeze from his arms and raised him in front of him again.

it's been a long time since little Zeze went out, and you haven't gone out with him either. Having a father is the same as not having a father. It's so pitiful.

".....?"

I can take him out on my own, but the last time I took him out, I didn't keep an eye on him and Xiao Zeze was almost pushed away by someone. What if I take him out alone again and meet bad people again? "

As su Wanwan spoke, she glanced at PEI Munian from the corner of her eye. I'm a weak woman. I definitely won't be able to protect little Zeze.

PEI Munian still did not speak.

Su Wanwan had no choice but to carry Xiao Zeze back. She lowered her head and said to Xiao Zeze: "Little Zeze, it's not that I don't want to take you out to play, but your father is too busy. Time! Room!"

PEI mu picked up a piece of bacon and was about to put it in his mouth when he heard su Wanwan's emphasis on the three words "no time." His hand paused for a moment, but he quickly ate his breakfast as if nothing had happened.

After breakfast, PEI Munian wiped the corners of her lips, stood up, and strode out of the dining room.

Su Wanwan gloomily stared at PEI Munian's back until he went up to the second floor and could no longer be seen. She then gloomily opened her mouth, " little Zeze, when you grow up, don't learn from your father. You're so cold that you're going to freeze people into ice! Fortunately, he married me. Otherwise, who could stand him? I would have divorced him a long time ago and let him die alone! I'm the only one who can reluctantly accept him. There's no other girl as good as me in this world, do you understand?"

If she had known that he was an Ice Mountain, she would not have fallen in love with him at first sight!

Su Wanwan raised her head. She didn't know when PEI Munian had returned. Her tall figure stood there, and her black eyes were fixed on her. The expression on su Wanwan's face instantly froze.

Why is PEI Munian's Wanwan back? Did he hear everything she said about him just now?

Su Wanwan's heart suddenly thumped. She subconsciously swallowed her saliva and laughed dryly. yes, there's something. Did you leave something behind? "

PEI Munian's lips curled up. there is.

PEI Munian walked over step by step and looked down at su Wanwan from above. Su Wanwan blinked guiltily. what, what did I drop? "

PEI Munian did not answer and instead carried xiaoze over. let him go. I thought about it and decided to take him out to play today. As for you, Yueyue, you can divorce me anytime and let me be alone for the rest of my life!

“.....?”

Su Wanwan shook her head violently. niannian, I didn't mean it that way. I didn't want you to grow old alone. I mean, let's grow old together!

PEI Munian turned around and left the dining room.

Su Wanwan grabbed her hair in annoyance and quickly chased after him.

PEI Munian called for someone to prepare the car. He took Xiao Zeze upstairs to change his clothes. Su Wanwan also quickly changed her clothes and ran out with her bag. PEI Munian had already carried Xiao Zeze into the car. Just as the door was about to close, su Wanwan rushed over and quickly got into the car. niannian, you left me behind! You can't just want your son and not your mother!”
