PEI Munian's big palm pressed on su Wanwan's head and pushed her out without hesitation. He looked at her, curved his lips, and put on a fake smile. I'm going to be alone until I grow old. Where would I get a wife? "

Su Wanwan struggled in his palm. She raised her hand and grabbed his hand, looking at him pitifully. I don't have a wife, but I have a mother. The mother of my child can grow old with you.

PEI Munian glanced at her and pulled her hand back forcefully. Su Wanwan borrowed his strength and was pulled over as well. She nimbly got into the car again and closed the door. She said to the driver in front, " "Drive, drive!"

The driver subconsciously looked at PEI Munian, waiting for her instructions.

PEI Munian's Black eyes swept towards su Wanwan. Su Wanwan opened her big pitiful eyes, bit her red lips, and pleaded, " you can't take care of little Zeze by yourself. Take me with you.

After su Wanwan said this, she turned to Xiao Zeze, who was lying there softly, " Xiao Zeze, right? You're going to bring mommy with you, right?"

Little Zeze called out in a very supportive manner.

Su Wanwan's eyes turned back to PEI Munian. I will take good care of Xiao Zeze.

PEI Munian and su Wanwan looked at each other for a few seconds and finally moved her lips. However, she didn't speak to su Wanwan, but to the driver, " "Let's start the car."

Su Wanwan's eyes quickly gushed with joy and the corners of her lips curled up. She excitedly opened her arms and hugged PEI Munian. niannian, you're the best.

She had just hugged PEI Munian when she was pushed away again. PEI Munian picked up Xiao Zeze and stuffed him into her arms. Su Wan reflexively took it and then heard PEI Munian's cold voice as usual. I'm doing this for his sake.

Su Wanwan's smile disappeared and she said in an angry tone: "Yes, yes, yes. It's all because of little Zeze."

"Tell the driver where you want to go."

After saying this, PEI Munian ignored her and took out her laptop from the car. She placed it on her lap and started to read his company's documents and reports.

Su Wanwan glanced at his expression and then glanced at the computer screen. He's already out to play, what work is he dealing with? it can't be that he's going to stay in the car to read documents and let her take Xiao Ze for a walk alone, right?

No, no, she had to think of a place where he had to be involved.

Su Wanwan furrowed her eyebrows and thought for a while. Her eyes suddenly lit up and the corners of her lips slightly raised in an arc. Her red lips opened slightly, " driver, let's go to xxx amusement park.

PEI Munian's fingers on the keyboard paused for half a second and her black eyes couldn't help but look at su Wanwan.

It was as if su Wanwan didn't notice his gaze. She turned her head and looked out the window, watching the scenery that kept retreating.

PEI Munian stared at su Wanwan for a long time before slowly retracting her gaze. She opened her mouth as if she wanted to say something, but in the end, she didn't.

Xxx amusement park had just opened not long ago, and it was the weekend, so there were a lot of people. Most of them were young people, and the rest were parents who came with their children.

Most of the time, when parents brought their children, the Father would carry the child and the mother would hold the Father's arm. They walked together very intimately. Su Wanwan also followed suit and stuffed Xiao Zeze into PEI Munian's arms. Her hand also unceremoniously held PEI Munian's arm and she blinked her big eyes. hubby, let's go in.
