Su Wanwan raised the lunch box in her hand and gestured. At the same time, she also looked behind assistant Wu. Through the gap of the pleated curtains behind the floor-to-ceiling glass window, she could vaguely see PEI Munian's figure.

Assistant Wu nodded, but she looked troubled. yes, he is, but I don't know if Wanwan is willing to see you. You know, your Wanwan.

I understand. I won't make things difficult for you. You can go in and ask PEI Munian. I'll wait here. I'll only go in if he's willing to see me, alright? "

As su Wanwan spoke, she secretly added another sentence in her heart. If he doesn't want to see her, she can just go home and see him.

Assistant Wu smiled gratefully. He was indeed afraid that su Wanwan would force her way in at any moment. He didn't want to suffer the big BOSS's cold eyes again, which were like knives stabbing his body!

then, please sit here and wait for a while. I'll go and ask boss PEI.

Assistant Wu turned around and walked to the office. She raised her hand and knocked on the door a few times, then pushed the door open and walked in.

Su Wanwan's eyes unconsciously stared at the office door. Her heart was also a little uneasy. Would PEI Munian let her go or let her in?

If his attitude still didn't change, what should she do?

While su Wanwan's thoughts were running wild, assistant Wu had already walked out of the office. Su Wanwan quickly stood up and looked at assistant Wu. However, when she saw the gloomy expression on his face, su Wanwan couldn't help but feel a little discouraged. niannian doesn't want to see me? "

In the next second, assistant Wu's lips curled up. Her voice was filled with joy as she said, " no, boss PEI said to let you in.

"Yingluo, you were lying to me just now!" Su Wanwan hit assistant Wu's arm angrily. I thought niannian was going to drive me away again!

Assistant Wu quickly begged for mercy. I was just joking, just joking. I didn't expect boss PEI to let you in. Miss su, take this opportunity. I think boss PEI is in a good mood today.

Was he in a good mood?

Was it because of her confession last night?

The light in su Wanwan's eyes swirled and the corners of her lips rose. thank you, assistant Wu. I'll go in then.

Su Wanwan's footsteps suddenly became light. When she walked to the door of the office, she subconsciously tidied her hair, tidied up her clothes, and after confirming that it was perfect, she raised her hand and knocked on the door.

"Come in." A deep and pleasant voice came from inside.

Su Wanwan took a deep breath, put her hand on the door lock, twisted it open, and followed him in.

PEI Munian sat behind the large office desk. The sun shone in at an angle and cast a shadow on him, making his facial features look even more profound and handsome.

His every movement carried an extreme elegance and nobility, making people unconsciously sink in.

Su Wanwan stood rooted to the ground, stunned by PEI Munian's beauty. PEI Munian looked up at her and said in a calm voice, "what's the matter?"

Su Wanwan blinked and her consciousness quickly returned. Her cheeks still couldn't help but blush a little.

She and PEI Munian were already an old couple, but she didn't expect her to be so easily bewitched by him. It was an advantage to be good-looking!

Su Wan cleared her voice and took a few steps forward. She placed the lunch box in her hand on the table and said: "I, I made some of your favorite dishes. I'll let you try."

After a pause, she added, "take it as a thank you for carrying me back to my room yesterday."
