

Deeply 690

690 Trying to start over (10)

Su Wanwan kissed PEI Munian. The soft touch and sweet taste stimulated PEI Munian's body and mind. It was as if there was a fire in the depths of her body that quickly surged up and spread to her limbs and bones. Her whole body was about to boil.

Su Wanwan was half-pressed on PEI Munian's body. Her kiss was light, like a tease but not a flirtatious one. It slowly triggered the desire in the bottom of one's heart. This was not enough. He wanted more. He wanted to hug her, he wanted to kiss her ruthlessly, he wanted to bury himself in her body, he wanted to be one with her.

As if she was bewitched, PEI Munian raised her hand and held su Wanwan's slender waist. Her fingers unconsciously tightened and then he turned over.

As the world spun, su Wanwan changed from top to bottom and was pressed into the bed. PEI Munian panted heavily and looked at her with misty eyes.

Su Wanwan didn't give him any room to think. She put her hands around his neck and pressed his body down. She raised her head slightly and kissed him again.

Su Wanwan's pink and tender little snake head gently traced PEI Munian's lips and sucked carefully for a while before slowly entering his mouth. It was as if she had entered an unknown and novel world, carefully probing and slithering.

Su Wanwan noticed the change in PEI Munian's body and a light flashed in the bottom of her eyes, but she still didn't dare to relax. Her hand around PEI Munian's neck slowly moved down along the curve of PEI Munian's back, probing and approaching her little by little.

The man's breathing became heavier and the light in his eyes became extremely dark. It flickered with thoughts of plundering and possession, as if he could destroy the world at all costs.

However, just as she was about to touch the key point, her wrist was suddenly clasped and then pressed to her side.

Su Wanwan was shocked. No way, PEI Munian could still be awake at this time? Was she going to fail again?

As she was thinking, PEI Munian's thin lips pressed down. She turned the guest into the host and attacked fiercely. Su Wanwan was defeated in a short while. Her whole body was dizzy from the kiss and her body was as soft as water. She could only open her lips slightly, like a fish that was thrown ashore, gasping for breath.

PEI Munian propped her body up and looked at the extremely charming woman below her. Her pink cheeks were flushed, her brows were full of beauty, but her eyes were clear and confused. Such a sharp contrast made one want to swallow her up in one gulp.

The longing did not fade in his memory. Instead, it became even more charming. She had been away for a year, but she had been dreaming about him all this time. It was like a chain that firmly wrapped

around him, locking him in place. He could not move or struggle. Until now, he still did not dare to take a step forward.

His body was on fire and the sweat on PEI Munian's forehead dripped down. His hands were clenched into fists and the veins on the back of his hands popped up one by one. He took a deep breath and got up from su Wanwan's body. He got off the bed with his long legs and walked towards the bathroom in big steps.

It wasn't until the sound of the bathroom door closing was heard that su Wanwan's blurred consciousness was awakened. She blinked, blinked again, but still couldn't understand the situation in front of her!

Clearly, what's going to happen next should be natural, so how?
