

Deeply 692

692 Are you done?(2)

After a pause, Yu Jia's eyes flashed with sincerity. as a friend, I sincerely suggest that you don't really lose your mind because of PEI Munian!

".....?"

Su Wanwan sat on the chair in disappointment and looked at Yu Jia gloomily, " Yu Jia, I'm not joking. I'm serious. Get me some medicine.

During this time, su Wanwan had been talking about their disharmonious bedroom affairs in Yu Jia's ear. Yu Jia looked at her and couldn't help but shake her head. what's wrong? You still haven't settled young master PEI? How long has it been? It's not that bad!"

These words directly poked su Wan's sore spot. She fiercely glared and said angrily: "It's just that, every time, it's just a step away. Am I that bad? Is it that hard to gnaw?"

"Look at you, a bitter woman. Can't you be a little more promising?"

I'm worried to death. I've used up all 360 of my 36 plans, but they didn't work. I just wanted to drug him so that he would come to me!

Yu Jia's eyes suddenly changed. He looked at su Wanwan, as if he was pondering something.

Su Wanwan saw her gaze and subconsciously touched her face. why are you looking at me like this? " Is there something on my face?"

Yu Jia shook his head. no, I'm just thinking that maybe it's not your problem but PEI Munian's!

"Ah? What do you mean by that?"

"Didn't you say that you've already used all sorts of methods to pounce on PEI Munian? Most men can withstand it once or twice, but it's impossible for them to withstand it every time and stop at the critical moment every time. At that time, men would be thinking with the lower half of their bodies. How can they stop, unless they're Yingluo?"

Yu Jia's voice dragged out a little, causing su Wanwan's heart to also rise. unless what? "

Yu Jia blinked and coughed lightly. She looked at su Wan with slight pity. unless that man has some obstacles!

"Yu Jia, come here. I promise I won't beat you to death!"

Su Wanwan unceremoniously waved her fist at Yu Jia. Yu Jia repeatedly begged for mercy, " Hey, I'm also analyzing it with you. And tell me, would you rather you didn't let PEI Munian do it with him, or would you rather PEI Munian didn't do it herself? "

"I don't want both, okay?" Su Wanwan roared.

The former was because she had no charm, and the latter was because she didn't have sex!

cough, alright, let's stop joking. But what kind of aphrodisiac are you looking for? you're watching period dramas, so you don't have such things. At most, you'll only have some aphrodisiacs. However, I don't recommend you using those things. After all, your relationship with PEI Munian has finally reconciled. If he finds out that you used such things on him, he'll definitely be angry!

How could su Wanwan not understand what Yu Jia said? she was just forced into a corner, so she ridiculed him. If he really asked her to use it, she wouldn't dare to use it.

Su Wanwan sighed. I really don't know what the problem is. Niannian has already accepted me again. Every night, we sleep on the same bed and hug each other to sleep. In the past, he was the one who asked for more. Now, he's the same as Liu Xiahui.

Su Wanwan's beautiful features were all wrinkled up in worry.

Yu Jia looked at su Wanwan's worry, thought for a while, and suddenly had a flash of inspiration. you can't drug her, but you can eat to supplement her! Boil some blood-boiling medicine and force PEI Munian to drink it for ten days to half a month. I guarantee it'll be more effective than medicine!"
