Su Wanwan still couldn't react until the call was hung up. She had clearly informed Gong Lingyu to find Yu Jia. Why didn't he seize the opportunity? And why was Yu Jia with Dr. Xu, and drunk?

Would something happen to this man and woman alone?

Su Wanwan thought about it and felt uneasy. She unconsciously opened Gong Lingyu's address book and called him, but the phone in her ear kept ringing, but no one picked up.

Su Wanwan vaguely felt that something was wrong. Gong Lingyu wouldn't not pick up his phone under normal circumstances. Could it be that he and Yu Jia had an unpleasant encounter again? Then what's up with doctor Xu? Wasn't he busy tonight? Why would she be with Yu Jia?

—

Five hours ago, Yu Jia had taken a shower in the changing room. After changing her clothes, she walked out with her bag. As soon as she walked out of the door, she saw Gong Lingyu standing against the wall.

Yu Jia walked over as if he was just air.

When he passed by Gong Lingyu, he suddenly reached out and grabbed Yu Jia's arm. He said with some resentment, "Yu Jia, don't you think you're going too far? You've already beaten me up like this, and you're still angry?"

Gong Lingyu pointed at the wounds on his face. They were all blue and purple, and the corners of his lips were a little red. these are all visible injuries. The invisible ones hurt even more!

He rubbed his chest. my bones are about to be crushed by your kick!

Yu Jia glanced at him, the corners of his lips curved up, and his voice was as cold as ever. release! Hand!"

Gong Lingyu let go of her hand reflexively.

Yu Jia left without any hesitation.

Gong Lingyu secretly gritted his teeth. He hesitated for a second, but he still followed after her.

Yu Jia walked out of the club, but she didn't drive her car. Instead, she walked to the opposite side of the club, where there was a food stall. The whole street was full of food, and it was very lively at night.

Yu Jia walked over, found an empty seat, and sat down. He ordered a few dishes and a can of beer.

Gong Lingyu was about to walk over to her table, but Yu Jia glanced over at him and he automatically sat down at the table next to her. It was just that it was his first time coming to a place like a food stall, and the noisy environment and poor hygiene made him quite uncomfortable and a little restless.

The waiter came over and asked Gong Lingyu what he wanted to eat. Gong Lingyu frowned in disgust. can the food here really be eaten? "

Since he was young, he had always been eating in luxurious high-class restaurants, so he had high requirements for the Food and Environment. He had no appetite for roadside food.

Gong Lingyu stood up abruptly, walked towards Yu Jia, and reached out to pull her up. Yu Jia, if you're hungry, let's go somewhere else to eat. The food here is unhygienic and noisy. How can we eat properly? "

"Ha."

Yu Jia's lips twitched and she shook his hand off. this place is not suitable for you, but it's very suitable for an ordinary person like me. I'm so happy to eat here. I'd rather eat at a high-end restaurant than here.

Yu Jia sat back in her seat. The waiter had already served the beer. She opened the lid and took a big gulp.

Gong Lingyu was also a little angry. He pulled out the chair opposite Yu Jia and sat down, staring at her with his dark eyes. do you have to go against me? That Dr. Xu, do you really like him that much? You're angry at me because of him?"
