711 Who slapped whose face (1)

Just as the beauty was about to touch PEI Munian, PEI Munian opened her eyes lazily and glanced at her indifferently. For some reason, her calm eyes carried an endless sense of oppression. The Beauty's movements could not help but stop, and she felt a little bit of retreat.

However, she recognized this man. He was the CEO of the PEI family group and the Crown Prince of the PEI family. He was a Dragon among men. It was not easy for her to meet such a distinguished man. If she could have even the slightest bit of relationship with him, she would be able to turn from a Crow into a Phoenix and soar to great heights! That Xi Zhiwei, wasn't she just like that? She had heard from one of her friends in the entertainment industry that Xi Zhiwei's family did not have any background at all. Her mother was just a small housekeeper in the PEI family. Didn't she become famous because she had seduced PEI Munian and almost married into the PEI family?

Moreover, this man was so handsome and charming. Just looking at his face was enough to make her whole body go soft. If she didn't take a gamble, she would be wasting the opportunity.

All men liked beautiful women. She was very confident in her figure and appearance. She didn't believe that she couldn't seduce the Crown Prince!

The beautiful woman's slender legs slowly crossed and then she stretched out her calves to rub against PEI Munian's legs. At the same time, her body leaned towards PEI Munian and she bent over slightly, allowing her proud career line to be fully exposed to PEI Munian. She shook the red wine in her hand, raised her head gently, and took a sip. Her movements were beautiful and alluring, and her red lips were printed on the wine glass. She tilted the wine glass towards PEI Munian and smiled charmingly. boss PEI, can I toast to you? "

Su Wanwan watched the woman's series of actions from outside and was so angry that her anger rose to her head. Everyone knew that PEI Munian was a married man, but she was still seducing her so brazenly. She was simply shameless!

Su Wanwan really wanted to rush in, grab her, slap her twice, and teach her how to write about propriety, justice, and shame. However, she couldn't act rashly now. She wanted to find out the reason why PEI Munian didn't touch her. Was it really because of these women outside?!

Su Wanwan resisted the urge to kill and looked down calmly!

PEI Munian glanced at the beautiful woman's exquisite makeup and smiled. He raised his hand and took the wine glass from the beautiful woman.

The beautiful woman's eyes suddenly lit up, and then a hint of pride flashed through them.

She knew it. How could a man resist a woman who took the initiative to come to his door? Not to mention that she was so beautiful!

The moment she saw PEI Munian take the glass, su Wanwan's heart fell straight down. Anger surged wildly in her chest and rushed straight to her head.

Even if uncle could endure it, aunt couldn't!

Su Wanwan gritted her teeth and was about to kick the door open, but PEI Munian's actions made her stop.

PEI Munian, who was inside, tilted her hand and splashed the entire glass of red wine on the beautiful woman's face. He continued to smile elegantly. unfortunately, you're not qualified. Get lost.

The beautiful woman was shocked by the sudden change in her eyes. She stood there in a daze and didn't react.

PEI Munian casually threw the wine glass away, and the crisp sound of glass breaking rang out. The entire private room instantly fell silent. PEI Munian took out a tissue and wiped his fingers before sweeping her gaze at the beautiful woman. still not leaving? " You want me to treat you?"

The beautiful woman shuddered and stood up with her weak body. She then ran out of the private room.
