PEI Munian did not return home in the middle of the night, not to meet any woman, but to the company?

But when she was on the phone with assistant Wu, assistant Wu didn't say that there were other arrangements after the dinner tonight. Could it be an urgent work? Or was there something in the company and he just came to get it?

In front, PEI Munian got out of the car and walked into the company. Su Wanwan didn't follow him but waited in the car. However, after waiting for more than half an hour, she didn't see him come down.

Su Wanwan raised her eyes and looked at the top floor of the PEI's group building. The lights were on and it seemed that they wouldn't come down for a while.

Su Wanwan thought about it and subconsciously took out her phone to call assistant Wu again.

At this moment, it was almost 12 o'clock. Assistant Wu answered the phone with a sleepy voice. Su Wanwan only heard his voice and understood that it was definitely not an urgent work all of a sudden. Otherwise, assistant Wu wouldn't be sleeping at home.

Assistant Wu's sleepy voice was heard. young Madam, it's so late. What's the matter?"

Just in case, su Wanwan still asked, " apart from the dinner party tonight, does niannian have any other plans? "

"I don't have any. Why?"

"It's okay, I'm just asking. You should rest."

After hanging up the phone, su Wanwan's Black eyes narrowed and she looked at the top floor again. If he didn't return to the company because of work, then why did he return to the company in the middle of the night? He stayed up there for so long and didn't come down for a walk.

Something suddenly flashed in su Wanwan's mind and her whole body trembled. He couldn't have arranged to meet Xi Zhiwei at the company, right?

Under the cover of working at the company, they were actually on a date?

Su Wanwan couldn't sit still anymore. She started the car and drove into the underground parking lot. After parking, she pushed the door open and got out of the car, walking towards the underground direct elevator.

Su Wanwan entered the password and entered the elevator. She watched as the number on the top of the elevator slowly jumped up. Her heart was in a mess and those terrible images kept racing in her mind.

With a ding, the elevator reached the top floor. The door opened and su Wanwan stepped out.

The large office hall was dark, and only PEI Munian's office was lit. Su Wanwan couldn't help but slow down her pace and walk over.

Su Wanwan walked to the door of the president's office, quietly twisted the door lock, pushed open a small gap, and looked inside.

First, she looked to the left and did not see Xi Zhiwei. Her tense emotions relaxed a little. Then, she slowly looked to the right. She scanned inch by inch, but there was still nothing. The terrifying images in her mind did not happen at all.

Su Wanwan heaved a big sigh of relief. Her hand unconsciously patted her chest and sighed, "Fortunately, it's still Yingluo."

Before she could finish her sentence, she felt that something was wrong. Xi Zhiwei was not in the office, but why was PEI Munian not there either?

Su Wanwan pushed open all the doors at once. She took a step forward and scanned the entire office with her eyes wide open. There was indeed no one inside!

Where was PEI Munian? Didn't he come up?

"Strange, where's niannian?"

Su Wanwan's eyebrows furrowed, her pearly white teeth bit her lower lip and she said in confusion: "Could it be that they've already left, but the lights were not turned off?"

Wait a minute, could she have fallen for some kind of trick to lure the Tiger out of the mountain?
