The hall was luxuriously decorated and unusually lively.

Melodious music played in the large hall, and well-dressed socialites and young masters shuttled through the crowd with wine glasses in their hands, chatting in groups of three to five.

Su Wanwan suddenly stopped and looked at the scene in front of her in surprise.

Mrs. PEI said that she wanted to see her and Xiao Zeze, and she thought that she was only inviting her to the old residence to meet them. But why was Yingluo having a banquet here?

Su Wanwan subconsciously looked at Butler Xi and asked in confusion, "Didn't Madam ask me to meet her?"

Yes, Madam invited you to a banquet. She said she would introduce you to her friends and this young master.

Introduce her to a friend?

Was Mrs. PEI ready to acknowledge her identity?

Su Wanwan didn't feel happy at all. Instead, she felt a little strange and a little uneasy.

Butler Xi didn't allow su Wanwan to think too much and urged her, "Miss Su, please come in. Don't let Madam wait too long.

Su Wanwan's eyebrows slightly furrowed, she glanced at Butler Xi, raised her feet, and walked inside.

As soon as su Wanwan walked in, everyone's eyes looked at her at the same time. After all, no one thought that Mrs. PEI would actually invite her over. It seemed that she was really ready to accept her?

Then, everyone's eyes fell on the child in her arms and they understood.

Su Wanwan gave birth to the PEI family's child and it was a boy. No matter how angry Mrs. PEI was, for the sake of the child, she had no choice but to be lenient, right?

After all, he was the future heir of the PEI family group.

Butler Xi led su Wanwan to Mrs. PEI's side. Mrs. PEI was talking to a few madams she knew. When she saw su Wanwan walking over, she looked at her. Her eyes were neither hot nor cold, and her voice was also faint, "You're here.

Su Wan nodded her head and her red lips opened slightly, "MA, MA.

Mrs. PEI did not respond and directly introduced her to the other ladies, this is su family enterprise's daughter, su Wanwan. You should all know her, right?"

The ladies smiled and nodded. Of course I know. It's like thunder to my ears.

One of the ladies stepped forward and looked at the child in su Wanwan's arms. She couldn't help but praise, " this child is so pretty. She looks exactly like her mother. Now that she's pregnant, it seems like you'll have to prepare for Munian and Ms. SU's wedding to be held again, right? "

Mrs. PEI also glanced at Xiao Zeze, a dark light surging in the bottom of her eyes, but she still had a faint smile on her face. you know how long I've been looking forward to having a grandson. As for other things, young people have their own thoughts.

"Don't beat around the bush with me," the lady said."If you can bring miss su to this banquet, doesn't that mean you've agreed?" You still don't mean what you say."

Mrs. PEI only smiled and didn't answer. After introducing su Wanwan to the other madams, she led her to chat with others and introduced her to everyone one by one.

The bottom of su Wanwan's eyes was a little stained with doubt. She originally thought that this was a treacherous plot, but Madam PEI really introduced her to everyone and acquiesced to her identity. She also acquiesced to Xiao Zeze's identity. She really accepted her like this. Why did it feel like Wanwan was so unreal?

After su Wanwan accompanied Mrs. PEI around, she finally had the opportunity to speak. mom, didn't you just want to see Xiao Zeze today? Why did Yingluo invite so many people over?"

Mrs. PEI's gaze fell on su Wanwan's face and she replied matter-of-factly, " I'm happy to have a grandson. Of course, I have to let my friends Share my joy. Why? Is my grandson not presentable?"
