Chapter 72 Why did you help her? IV

sister Wanwan, since you're so sincere, I have to meet you no matter what. How about this? I'm at the film studio right now. If you can get there within 30 minutes, I'll talk to you.

The film studio was located in the suburbs, and she was now in the city center. It was at least a 40-minute drive to the film studio, and it was under the condition that the roads were smooth. Xi Zhiwei's words were clearly meant to make things difficult for her.

However, it didn't matter. She, su Wanwan, wasn't someone who would admit defeat so easily. Even if there was only a one in a million chance, she wouldn't give up.

"Alright, wait for me."

After hanging up the phone, su Wanwan strode towards the elevator and went all the way to the parking lot. She walked towards her car, sat in it, started the engine, and then stepped on the accelerator. The car flew out quickly.

Fortunately, it was already past the time when there was a traffic jam. Su Wanwan's car drove smoothly. She stepped on the gas pedal until it was fully stepped on and even ran a few red lights on the road. Finally, she arrived at the film studio in twenty-five minutes. When the car stopped, she didn't even have time to catch her breath and ran. When she ran to Xi Zhiwei, it was exactly thirty minutes.

Su Wanwan panted as she took out her phone and shook it at Xi Zhiwei, saying, " thirty minutes. I'll be there in time. Can we talk now? "

Xi Zhiwei looked at the panting su Wanwan in front of her and couldn't help but be surprised. She really didn't expect that su Wan would be able to arrive here in 30 minutes. It seems that she still underestimated her.

No, it should be said that her luck was good. Her luck had always been good. Whatever she wanted, she would always get it. Just like that time, when she wanted PEI Munian, she really managed to win her heart. And her? She had spent so much time and energy to get what she wanted, but she still couldn't get it!

So, she really, really hated su Wan. Every time, she easily got what she couldn't get no matter how hard she worked, such as family background, identity, or PEI mu nianwan.

When she thought of this, Xi Zhiwei's eyes darkened. She smiled but pretended to be innocent and said, " "But what can we do? I'm going to shoot this commercial soon, so I have to prepare now. Sister Wanwan, you don't mind waiting for me, right?"

If Xi Zhiwei was really willing to talk to her so easily, she would find it strange. The smile on su Wanwan's face did not change and she said: "It's okay, I'll wait for you."

"Thank you for your understanding." As Xi Zhiwei spoke, she looked around and exclaimed, " sister Wanwan, I'm sorry. I should have asked you to sit and wait, but there are no more chairs here.

Su Wanwan still smiled. I can just stand.

Xi Zhiwei smiled and did not say anything more.

Su Wanwan looked around, found a corner, and stood there waiting.

Xi Zhiwei just wanted to mess with her and this little trick was nothing compared to PEI Munian's ruthlessness.

Time slowly passed. The afternoon sun burned the earth.

This was just a temporary shed to shoot the advertisement. The shed was still very small. The place where su Wanwan stood had no shelter. The sun made her cheeks red and her back couldn't help sweating. She just ran all the way in high heels and now her feet hurt to the bone.

Su Wanwan switched her left and right feet from time to time, gritting her teeth and holding on.
