Everyone looked at the socialite who pushed su Wanwan just now at the same time. The man's line of sight also turned over and his thin lips opened slightly, "you pushed her?"

No one expected PEI Munian to suddenly appear. When Mrs. PEI led su Wanwan to introduce her to everyone, she mentioned that PEI Munian had gone to America for business. She should be in America now, but she was here!

PEI Munian's eyes were calm and emotionless. Her voice was also very casual, as if she was only asking about the weather today. However, for some reason, that socialite felt an extreme sense of danger pressing down on her. A chill rose from the soles of her feet and she could not help but shiver. For a moment, even her throat was hoarse and she could not say a word.

Mrs. PEI regained her senses and could not hide her surprise. Munian, why are you here?"

Xi Zhiwei stood up from the ground as well. Her eyes flickered and she called out weakly, "brother mu Nian.

PEI Munian acted as if she did not hear their conversation. Her eyes were still fixed on the socialite as she lazily asked, "let me ask you, did you push her?"

That socialite couldn't help but swallow her saliva and hurriedly explained herself, "young, young master PEI, that's, that's because ran ran lied to you because of su Wanwan and, and spoke rudely. That's why I urged me to teach her a lesson.

"A lesson?"

PEI Munian repeated these two words playfully. The corners of his lips twitched as if he had heard the funniest joke. The next second, the smile on his handsome face instantly disappeared, leaving only coldness. who are you to lecture my wife?"

He took a step forward and asked coldly, "which hand pushed you?"

The socialite was so scared that her face turned white in an instant and she couldn't help but shake her head. young master PEI, I, I'm helping you, helping you vent your anger. Su Wan's child isn't yours at all. She lied to you!

When Xi Zhiwei saw this, she quickly walked over to PEI Munian and said softly, brother Munian, miss Jin was indeed standing up for you. Wanwan's child, Wanwan, isn't yours. The DNA test has been done. The report is here.

Xi Zhiwei took the DNA report and handed it to PEI Munian.

PEI Munian's eyes looked at the report in Xi Zhiwei's hand. Su Wan, who was at the side, couldn't help but feel her heart tighten. She never thought that PEI Munian would find out about Xiao Zeze's matter under such circumstances. If he found out about her lie, he would be very disappointed in her, right? She wondered if he would give her a chance to explain.

PEI Munian took the report and flipped through it.

Everyone's hearts were in their throats as their eyes were fixed on PEI Munian's face. They were waiting to see how furious he would be when he found out the truth!

The large space seemed to have frozen, and only PEI Munian's hands, which were flipping through documents, moved.

Unexpectedly, in the next second, PEI Munian tore the report into two without hesitation!

Everyone's eyes widened as they looked at his actions in surprise, full of confusion.

When he saw the DNA report, he didn't get angry or lose his temper. Instead, he tore the report up? What was going on?

"Mu Nian, what are you doing?" Mrs. PEI exclaimed in shock.

Xi Zhiwei's eyes were also filled with surprise. brother mu Nian, you're Hanhan.

PEI Munian waved the torn report in her hand and said indifferently, " how can you use this fake DNA report as an excuse to condemn me? "
