726 Who slapped whose face (16)

PEI Munian's eyes swept across Xi Zhiwei's face. There seemed to be a dark light surging in the bottom of his eyes, but it disappeared in an instant. Then, he walked towards su Wanwan.

Su Wanwan was shocked by PEI MU's words and sat on the ground in a daze, forgetting to get up.

PEI Munian walked over, squatted down, and reached out. His slender fingers hooked her loose hair to her ear. His tone was a little reproachful. su Wanwan, you usually deal with me with so many tricks. Now, any random cat or dog will be bullied? "

Although he was being harsh, it sounded more like a public display of affection in the ears of others.

PEI Munian took xiaoze from su Wanwan's arms with one hand and grabbed her arm with the other, pulling her up.

PEI Munian looked at Mrs. PEI again and said lazily, " mom, I still have something to do today. I'll bring Wanwan and the child over for dinner next time. I'll be leaving first.

PEI Munian took su Wanwan's hand and pulled her out. When they passed by the socialite, he stopped in his tracks, looked at her sideways, and smiled. miss Jin, I'm a very protective person. You pushed my wife down. Are you giving my wife an explanation? Or should I demand an explanation from you?"

Miss Jin's expression changed, and she immediately slapped herself. I'm sorry, young master PEI. I shouldn't have said such things!

"Sorry to whom?"

Miss Jin quickly turned to su Wanwan, bowed, and said in a trembling voice: " "Su, su Wanwan, I'm sorry. I shouldn't have pushed you. I'm sorry, Huahua."

PEI Munian looked at su Wanwan, her eyes gentle. do you accept this apology? "

Su Wanwan didn't react for a while.

PEI Munian's eyes turned cold again as she looked at miss Jin. it seems like my wife is not satisfied with the explanation you gave.

Miss Jin was almost in tears. She gritted her teeth and slapped herself again. m-young Madam, please forgive me. I know I was wrong.

Su Wanwan finally reacted. Seeing that miss Jin had left five fingerprints on her cheeks, her anger naturally dissipated. Although she wasn't a Saint, it was right to forgive people when possible.

"Forget it, niannian, let's go."

"Yes."

PEI Munian took a step forward and brought su Wanwan out of the gate. The car was already waiting outside. The chauffeur opened the door and PEI Munian protected su Wanwan as she sat inside. She then handed the child to her, but he didn't get in the car.

Su Wanwan looked at him in surprise. niannian, you're not going home? "

"Yes." PEI Munian raised her hand and looked at the watch on her wrist."My flight is in two hours."

Su Wanwan then remembered that he told her yesterday that he was going to America to deal with some things. He should be in America now, but he appeared here.

"Didn't your Yueyue go yesterday?"

PEI Munian replied indifferently, " the schedule has just been delayed.

then, then get in the car. I'll take you to the airport before going home.

no, you should take Xiao Zeze back first. He must have suffered a lot of shock tonight. Don't rush around.

PEI Munian took a step back and was about to close the car door when su Wanwan placed Xiao Zeze on the sofa and got out of the car. The next second, she hugged PEI Munian, stood on her tiptoes, and kissed his lips.

PEI Munian was stunned.

Su Wanwan hugged his neck tightly and kissed him deeply, as if she could not express her feelings in words and passed them all to him through this kiss.
