728 Who slapped whose face (18)

"Brother mu Nian." The sound of footsteps behind him grew closer and closer. Xi Zhiwei walked over step by step. Her voice was obviously crying, sad and sad.

PEI Munian stopped in her tracks and turned around.

Xi Zhiwei stood in front of him, her face streaked with tears. Her beautiful eyes were red and swollen from crying, and she looked very pitiful.

PEI Munian's dark eyes landed on her face. Her expression was calm and she looked at her without any fluctuations. There seemed to be no ripples in her eyes.

PEI Munian's expression made Xi Zhiwei's heart tremble. However, she remembered the humiliation she suffered because of su Wanwan and gritted her teeth unwillingly.

The child was clearly not PEI Munian's, yet she had to hide it from everyone. Everyone thought that she was a bad person, and even Mrs. PEI had looked at her with a reproachful gaze. She could not take this lying down no matter what.

Xi Zhiwei sniffed deeply, clenched her hands, and said in a hoarse voice, " brother mu Nian, my DNA report is not fake. The results are all true. Su Wanwan's child is really not your biological son. I heard her say it with my own ears. She's lying to you! She must have tampered with your DNA report. Oh, right, she has a good friend named Yu Jia. Do you remember Yu Jia? Yu Jia is a doctor now. Maybe su Wanwan asked her for help. She also knows about this!"

PEI Munian did not react to her words and only said indifferently, " "I'm going to the airport."

Xi Zhiwei immediately panicked and took a step forward. brother mu Nian, you still don't believe me? Then Yueyue, let's do a DNA test again. You and su Wanwan's child, do it again in person and you'll know that I'm not lying. Su Wanwan's child is a wild Yueyue."

"Shut up!"

PEI Munian furrowed her brows, as if she had lost all patience. A hint of ruthlessness flashed across her eyes. Weiwei, don't let me hear that word from your mouth again. Wanwan and that child have nothing to do with you. This is my family matter. Also, don't instigate my mother to do unnecessary things again if you don't want to be more embarrassed.

Embarrassing

Xi Zhiwei was shocked by the two words and took two steps back. brother mu Nian, I did it all for you, Hanhan.

"For me?" PEI Munian sneered. if it was really for me, there shouldn't be this banquet tonight.

"Weiwei, I've told you before what my bottom line is. If you want to slap Wanwan's face, I'll definitely return it to you. Have you forgotten?"

That's right, she once slapped su Wanwan and he could slap her back without hesitation.

So today, she let su Wanwan be ridiculed and spurned by everyone, and he also let her suffer everyone's ridicule?

How could he treat her like this?

Xi Zhiwei's tears rolled down from her eyes. She shook her head in disbelief. brother mu Nian, su Wan hurt you again and again. She's always been at your beck and call. Why do you still believe in her over me?!

Xi Zhiwei looked at PEI Munian with a pair of teary eyes. Her voice was accusatory. I've done so much for you. I'm doing this for your own good with all my heart. I'm Hanhan.

"I'm happy to."

It was just three simple words, but it was like ten thousand arrows piercing through her heart. Xi Zhiwei's body could not help but sway. However, PEI Munian seemed to think that it was not enough. She took a step forward, lowered her head slightly, and spoke word by word in her ear.
