732 The courage to confess (4)

“What?” PEI Munian’s slightly puzzled voice could be heard from the other end. what do you want to talk to me about? ”

“I’ll tell you when you’re back. Focus on your work.”

“So mysterious?” PEI Munian teased lazily but had no intention of asking further. alright, I’m at the hotel now. I’m going to take a nap. You too.

“Okay, late, no, it should be Good Morning now.” Su Wanwan said and then naughtily offered a kiss. go to sleep. Dream of me.

When PEI Munian was not around, time seemed to have stopped. Every day passed extremely slowly. Fortunately, there was no news from him like the last time he went on a business trip. This time, they could at least talk on the phone every other day, even though she was the one who called him most of the time.

Su Wanwan had to admit that even if PEI Munian treated her well now, would stand up for her, wouldn’t let anyone bully her, was gentle and considerate, and would think for her, but Qianqian always lacked that infatuation.

In the field of love, she felt that his feelings were hot and cold at times. Sometimes, she felt that he should love her, but sometimes, she felt that he had no feelings for her.

She still couldn’t figure out what the problem was.

It was not that she had not experienced the days of being pampered and cared for by PEI Munian. Now that she thought about it, she could see the sparks in his eyes during the period after her brain surgery.

When he gazed at her, his deep affection was intoxicating.

It was just that she didn’t understand at that time, so she didn’t cherish it. But now, she didn’t know if he was hiding it or if he didn’t have those feelings for her anymore, but she couldn’t see through the emotions hidden in his deep eyes.

The most complicated thing in the world was to guess whether a person loved you or not.

She couldn’t help but worry about her personal gains and losses, and her emotions were unstable.

Su Wanwan spent a long week in such a dilemma. Finally, when they were on the phone tonight, PEI Munian said, ” “If nothing unexpected happens, I’ll be back the day after tomorrow.”

Houtian Huanhuan

Su Wanwan’s whole body trembled and she suddenly sat up straight. what time is Wanwan the day after tomorrow? ”

“Probably around eight in the evening.”

“Oh, Yingluo.”

She had thought that it would take a long time, but she did not expect that there were less than 48 hours left until PEI Munian returned. That meant that she had less than 48 hours to confess to PEI Munian!

She had been in a hurry, but when he was about to come back, she felt that time had passed so quickly.

“Oh? From your tone, why does it sound like you don’t want me to come back?”

“Ah?”

Su Wanwan quickly returned to her senses and clenched her phone tightly. no, no, I’ve been waiting for you to come back. Now you can finally come back. Have you settled everything? ”

“Yes, it’s almost time.”

After a pause, PEI Munian suddenly thought of something and smiled. yes, you said that you would tell me something when I came back. I’ve been thinking about it. What do you want to tell me in advance? ”

Su Wanwan squeezed out a smile. I did. I said I would wait for you to come back before saying it. Of course, I can’t say it in advance.

PEI Munian smiled and didn’t say anything. alright, let’s meet the day after tomorrow. I’ll bring you a gift. What do you want? ”

“No need,”

Su Wanwan pursed her lips and quickly swallowed the words on the tip of her tongue. She changed to another sentence. I don’t want a gift. Can I change it to a wish of mine? ”
