734 The courage to confess (6)

Lu Sheng was sitting on the other side of the sofa. Su Wanwan hadn't seen Lu Sheng much since she graduated from University. The ruffian boy from back then had now grown into a tall and mature man, but the ruffian aura between his eyebrows had not changed much.

There was a bottle of red wine on the table, and the two of them clinked their glasses. Lu Sheng took a sip of the wine and savored it carefully. He sighed in enjoyment. I missed this bottle of wine the most when I was abroad. I left before I finished it. I've been craving it for a year.

PEI Munian took a sip and said, "If you like it, I'll get someone to send you a box."

"Then I'll thank you first, young master PEI."

Lu Sheng raised her glass and toasted PEI Munian again. I heard that you and su Wanwan got back together again, right? The day before yesterday, my mother called me and vividly described the situation at the banquet that day. You ruthlessly slapped Xi Zhiwei's face, just to protect su Wan. You broke up and got back together so many times, and now you have a son. It seems that this is also a matter of fate."

Lu Sheng laughed as he spoke. you were about to get married to Xi Zhiwei before, but when su Wanwan came back, it didn't happen again. Su Wanwan's charm is still as charming as ever, making you guys fall head over heels for her.

"No, shouldn't I say that I love her now?" Lu Sheng raised his eyebrows and teased.

Every time PEI Munian was in pain because of su Wanwan's breakup, he was the one who accompanied her to drink. However, he didn't learn his lesson every time. No matter how many harsh words he said, he still let su Wanwan lead him. If this wasn't love, what was it?

He really didn't expect that young master PEI would have a side to him that loved a woman so deeply!

Su Wanwan was about to push the door open, but when she heard Lu Sheng's words, she stopped. Lu Sheng actually asked a question that she had never dared to ask. Recently, she had been worried about this question. She also wanted to hear PEI Munian's answer and what he thought of her in his heart.

Su Wanwan subconsciously held her breath and nervously listened to the sound inside.

PEI Munian did not answer immediately. He picked up his glass and took a sip slowly. He raised his eyes lazily and glanced at Lu Sheng. "What's wrong? I haven't seen you for a year and you've changed your career to become a paparazzi?"

"Pfft, I'm just concerned about you. Tell me, how are you guys doing? I haven't forgotten how you looked when she left a year ago. I thought you'd really let her go."

but love is like a sneeze. It can't be hidden at all.

Lu Sheng sighed, but PEI Munian's lips curved up. He stared at Lu Sheng for a few seconds, then said, "I don't love su Wanwan now."

Lu Sheng's voice stopped abruptly, and his eyes widened. w-what? "

He thought he had heard wrong and raised his hand to pick his ear. He looked at PEI Munian and continued, " "Young master PEI, are you sure you're not saying you love su Wan, but you don't love her?"

PEI Munian glanced at Lu Sheng from the corner of her eyes, her voice still indifferent. you're already drunk after just a few drinks? "

Lu Sheng blinked. It seemed like he didn't hear wrong. PEI Munian said that he didn't love su Wanwan! It was just that this answer was too unexpected!

PEI Munian's words slowly came out of the door and into su Wanwan's ears. She was also instantly stunned in place. Her black pupils suddenly contracted, as if she couldn't believe PEI Munian's resolute and decisive answer.
